### § 1602.1 Purpose.

This part contains the rules and procedures the Legal Services Corporation follows in making records available to the public under the Freedom of Information Act.

### § 1602.2 Definitions.

As used in this part—

(a) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Corporation will look to the use to which a requester will put the documents requested. When the Corporation has reasonable cause to doubt the requester's stated use of the records sought, or where the use is not clear from the request itself, it will seek additional clarification before assigning the request to a category.

(b) *Duplication* means the process of making a copy of a requested record pursuant to this part. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable electronic documents, among others.

(c) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, or an institution of professional or vocational education which operates a program or programs of scholarly research.

(d) *FOIA* means the Freedom of Information Act, 5 U.S.C. 552.

(e) *Non-commercial scientific institution* means an institution that is not operated on a "commercial" basis and which is operated solely for the pur-

## 45 CFR Ch. XVI (10–1–98 Edition)

pose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(f) *Office of Inspector General records* means those records as defined generally in this section which are exclusively in the possession and control of the Office of Inspector General of the Legal Services Corporation.

(g) *Records* means books, papers, maps, photographs, or other documentary materials, regardless of whether the format is physical or electronic, made or received by the Corporation in connection with the transaction of the Corporation's business and preserved by the Corporation as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Corporation, or because of the informational value of data in them. The term does not include, inter alia, books, magazines, or other materials acquired solely for library purposes.

(h) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of "freelance" journalists, they will be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(i) *Review* means the process of examining documents located in response to a request to determine whether any

## Legal Services Corporation

## § 1602.5

portion of any such document is exempt from disclosure. It also includes processing any such documents for disclosure. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(j) *Search* means the process of looking for and retrieving records that are responsive to a request for records. It includes page-by-page or line-by-line identification of material within documents and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Searches may be conducted manually or by automated means and will be conducted in the most efficient and least expensive manner.

### § 1602.3 Policy.

The Corporation will make records concerning its operations, activities, and business available to the public to the maximum extent reasonably possible. Records will be withheld from the public only in accordance with the FOIA and this part. Records exempt from disclosure under the FOIA may be made available as a matter of discretion when disclosure is not prohibited by law, and disclosure would not foreseeably harm a legitimate interest of the public, the Corporation, a recipient, or any individual.

### § 1602.4 Records published in the Federal Register.

The Corporation routinely publishes in the FEDERAL REGISTER information on its basic structure and operations necessary to inform the public how to deal effectively with the Corporation. The Corporation will make reasonable efforts to currently update such information, which will include basic information on the Corporation's location, functions, rules of procedure, substantive rules, statements of general policy, and information regarding how the public may obtain information, make submittals or requests, or obtain decisions.

### § 1602.5 Public reading room.

(a) The Corporation will maintain a public reading room at its office at 750 First Street, NE., Washington DC

20002-4250. This room will be supervised and will be open to the public during the regular business hours of the Corporation for inspecting and copying records described in paragraph (b) of this section.

(b) Subject to the limitation stated in paragraph (c) of this section, the following records will be made available in the public reading room:

(1) All final opinions, including concurring and dissenting opinions, and orders issued in the adjudication of cases;

(2) Statements of policy and interpretations adopted by the Corporation that are not published in the FEDERAL REGISTER;

(3) Administrative staff manuals and instructions to the staff that affect the public or recipients;

(4) Copies of records, regardless of form or format, released to any person in response to a public request for records pursuant to § 1602.8 which the Corporation has determined are likely to become subject to subsequent requests for substantially the same records, and a general index of such records;

(5) The current index required by § 1602.7;

(6) To the extent feasible, other records considered to be of general interest to recipients or members of the public in understanding activities of the Corporation or in dealing with the Corporation in connection with those activities.

(c) Certain records otherwise required by FOIA to be available in the public reading room may be exempt from mandatory disclosure pursuant to section 552(b) of the FOIA and § 1602.9. Such records will not be made available in the public reading room. Other records maintained in the public reading room may be edited by the deletion of identifying details concerning individuals to prevent a clearly unwarranted invasion of personal privacy. In such cases, the record shall have attached to it a full explanation of the deletion. The extent of the deletion shall be indicated, unless doing so would harm an interest protected by the exemption under which the deletion is made. If technically feasible,

the extent of the deletion shall be indicated at the place in the record where the deletion was made.

(d) Records required by the FOIA to be maintained and made available in the public reading room that are created by the Corporation on or after November 1, 1996, shall be made available electronically. This includes the index of published and reading room records, which shall indicate which records are available electronically.

(e) Most electronic public reading room records will also be made available to the public on the Corporation's websites at <http://www.lsc.gov> and <http://oig.lsc.gov>.

#### **§ 1602.6 Procedures for use of public reading room.**

Any member of the public may inspect or copy records described in § 1602.5(b) in the public reading room during regular business hours. Because it will sometimes be impossible to produce records or copies of records on short notice, a person who wishes to inspect or copy records is advised to arrange a time in advance, by telephone or letter request made to the Office of the General Counsel. Persons submitting requests by telephone will be notified whether a written request would be advisable to aid in the identification and expeditious processing of the records sought. Written requests should identify the records sought in the manner provided in § 1602.8(b) and should request a specific date for inspecting the records. The requester will be advised as promptly as possible if, for any reason, it may not be possible to make the records sought available on the date requested.

#### **§ 1602.7 Index of records.**

The Corporation will maintain a current index identifying any matter within the scope of § 1602.4 and § 1602.5(b) (1) through (5). The index will be maintained and made available for public inspection and copying at the Corporation's office in Washington, DC. The cost of a copy of the index will not exceed the standard charge for duplication set out in § 1602.13(e). The Corporation will also make the index available on its websites.

#### **§ 1602.8 Requests for records.**

(a) Except for records required by the FOIA to be published in the FEDERAL REGISTER (§ 1602.4) or to be made available in the public reading room (§ 1602.5), Corporation records will be made promptly available, upon request, to any person in accordance with this section, unless it is determined that such records should be withheld and are exempt from mandatory disclosure under the FOIA and § 1602.9.

(b) Requests. Requests for records under this section shall be made in writing, with the envelope and the letter or e-mail request clearly marked Freedom of Information Request. All such requests shall be addressed to the Corporation's Office of the General Counsel. Requests by letter shall use the address given in § 1602.5(a). E-mail requests shall be addressed to [info@smtp.lsc.gov](mailto:info@smtp.lsc.gov). Any request not marked and addressed as specified in this paragraph will be so marked by Corporation personnel as soon as it is properly identified, and will be forwarded immediately to the Office of the General Counsel. A request improperly addressed will not be deemed to have been received for purposes of the time period set forth in paragraph (i) of this section until it has been received by the Office of the General Counsel. Upon receipt of an improperly addressed request, the General Counsel or designee shall notify the requester of the date on which the time period began.

(c) A request must reasonably describe the records requested so that employees of the Corporation who are familiar with the subject area of the request are able, with a reasonable amount of effort, to determine which particular records are within the scope of the request. If it is determined that a request does not reasonably describe the records sought, the requester shall be so informed and provided an opportunity to confer with Corporation personnel in order to attempt to reformulate the request in a manner that will meet the needs of the requester and the requirements of this paragraph.

(d) To facilitate the location of records by the Corporation, a requester should try to provide the following kinds of information, if known:

## Legal Services Corporation

## § 1602.8

(1) The specific event or action to which the record refers;

(2) The unit or program of the Corporation which may be responsible for or may have produced the record;

(3) The date of the record or the date or period to which it refers or relates;

(4) The type of record, such as an application, a grant, a contract, or a report;

(5) Personnel of the Corporation who may have prepared or have knowledge of the record;

(6) Citations to newspapers or publications which have referred to the record.

(e) The Corporation is not required to create a record or to perform research to satisfy a request.

(f) Estimated fees. The Corporation shall advise the requester of any estimated fees as promptly as possible. The Corporation may require that fees be paid in advance, in accordance with § 1602.13(i), and the Corporation will advise a requester as promptly as possible if the fees are estimated to exceed \$25 or any limit indicated by the requester.

(g) Any request for a waiver or reduction of fees should be included in the FOIA request, and any such request should indicate the grounds for a waiver or reduction of fees, as set out in § 1602.13(f). The Corporation shall respond to such request as promptly as possible.

(h) Format. The Corporation will provide records in the form or format indicated by the requester to the extent such records are readily reproducible in the requested form or format.

(i)(1) The General Counsel or designee, upon request for any records made in accordance with this section, except in the case of a request for Office of Inspector General records, shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 days (excepting Saturdays, Sundays, and legal public holidays) after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a

determination is expected to be dispatched.

(2) Initial response/delays. If the General Counsel or designee determines that a request or portion thereof is for Office of Inspector General records, the General Counsel or designee shall promptly refer the request or portion thereof to the Office of Inspector General and send notice of such referral to the requester. In such case, the Counsel to the Inspector General or designee shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 working days after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(3) Unusual circumstances. As used in this part, "unusual circumstances" are limited to the following, but only to the extent reasonably necessary for the proper processing of the particular request:

(i) The need to search for and collect the requested records from establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency or organization, such as a recipient, having a substantial interest in the determination of the request or among two or more components of the Corporation having substantial subject matter interest therein.

(j) If a request is particularly broad or complex so that it cannot be completed within the time periods stated in paragraph (i) of this section, the Corporation may ask the requester to narrow the request or agree to an additional delay.

(k) When no determination can be dispatched within the applicable time limit, the General Counsel or designee or the Counsel to the Inspector General

or designee shall inform the requester of the reason for the delay, the date on which a determination may be expected to be dispatched, and the requester's right to treat the delay as a denial and to appeal to the Corporation's President or Inspector General, in accordance with § 1602.12. If no determination has been dispatched by the end of the 20-day period, or the last extension thereof, the requester may deem the request denied, and exercise a right of appeal in accordance with § 1602.12. The General Counsel or designee or the Counsel to the Inspector General or designee may ask the requester to forego appeal until a determination is made.

(l) After it has been determined that a request will be granted, the Corporation will act with due diligence in providing a substantive response.

(m)(1) Expedited treatment. Requests and appeals will be taken out of order and given expedited treatment whenever the requester demonstrates a compelling need. A compelling need means:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) An urgency to inform the public about an actual or alleged Corporation or Federal government activity and the request is made by a person primarily engaged in disseminating information;

(iii) The loss of substantial due process rights; or

(iv) A matter of widespread and exceptional media interest in which there exist possible questions about the Corporation's or the Federal government's integrity which affect public confidence.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing must be properly addressed and marked and received by the Corporation pursuant to paragraphs (b) of this section.

(3) A requester who seeks expedited processing must submit a statement demonstrating a compelling need that is certified by the requester to be true and correct to the best of that person's knowledge and belief, explaining in de-

tail the basis for requesting expedited processing.

(4) Within ten calendar days of its receipt of a request for expedited processing, the General Counsel or designee or the Inspector General or designee shall decide whether to grant the request and shall notify the requester of the decision. If a request for expedited treatment is granted, the request shall be given priority and shall be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously by the Corporation.

#### **§ 1602.9 Exemptions for withholding records.**

(a) A requested record of the Corporation may be withheld from public disclosure only if one or more of the following categories exempted by the FOIA apply:

(1) Matter which is related solely to the internal personnel rules and practices of the Corporation;

(2) Matter which is specifically exempted from disclosure by statute (other than the exemptions under FOIA at 5 U.S.C. 552(b)), provided that such statute requires that the matters be withheld from the public in such a manner as to leave no discretion on the issues, or establishes particular criteria for withholding, or refers to particular types of matters to be withheld;

(3) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(4) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the Corporation;

(5) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(6) Records or information compiled for law enforcement purposes including enforcing the Legal Services Corporation Act or any other law, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person or a recipient of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(b) In the event that one or more of the exemptions in paragraph (a) of this section apply, any reasonably segregable portion of a record shall be provided to the requester after deletion of the portions that are exempt. The amount of information deleted shall be indicated on the released portion of the record, unless doing so would harm the interest protected by the exemption under which the deletion is made. If technically feasible, the amount of information deleted shall be indicated at the place in the record where the deletion is made. In appropriate circumstances, at the discretion of the Corporation officials authorized to grant or deny a request for records, and after appropriate consultation as provided in § 1602.10, it may be possible to provide a requester with:

(1) A summary of information in the exempt portion of a record; or

(2) An oral description of the exempt portion of a record.

(c) No requester shall have a right to insist that any or all of the techniques in paragraph (b) of this section should be employed in order to satisfy a request.

(d) Records that may be exempt from disclosure pursuant to paragraph (a) of this section may be made available at the discretion of the Corporation official authorized to grant or deny the request for records, after appropriate consultation as provided in § 1602.10. Records may be made available pursuant to this paragraph when disclosure is not prohibited by law, and it does not appear adverse to legitimate interests of the Corporation, the public, a recipient, or any person.

#### **§ 1602.10 Officials authorized to grant or deny requests for records.**

(a) The General Counsel shall furnish necessary advice to Corporation officials and staff as to their obligations under this part and shall take such other actions as may be necessary or appropriate to assure a consistent and equitable application of the provisions of this part by and within the Corporation.

(b) The General Counsel or designee and the Counsel to the Inspector General or designee are authorized to grant or deny requests under this part. In the absence of a Counsel to the Inspector General, the Inspector General shall name a designee who will be authorized to grant or deny requests under this part and who will perform all other functions of the Counsel to the Inspector General under this part. The General Counsel or designee shall consult with the Office of Inspector General prior to granting or denying any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which are maintained by other components of the Corporation. The Counsel to the Inspector General or designee shall consult with the Office of the General Counsel prior to granting or denying any requests for records.

#### **§ 1602.11 Denials.**

(a) A denial of a written request for a record that complies with the requirements of § 1602.8 shall be in writing and shall include the following:

(1) A reference to the applicable exemption or exemptions in § 1602.9 (a) upon which the denial is based;

(2) An explanation of how the exemption applies to the requested records;

(3) A statement explaining why it is deemed unreasonable to provide segregable portions of the record after deleting the exempt portions;

(4) An estimate of the volume of requested matter denied unless providing such estimate would harm the interest protected by the exemption under which the denial is made;

(5) The name and title of the person or persons responsible for denying the request; and

(6) An explanation of the right to appeal the denial and of the procedures for submitting an appeal, including the address of the official to whom appeals should be submitted.

(b) Whenever the Corporation makes a record available subject to the deletion of a portion of the record, such action shall be deemed a denial of a record for purposes of paragraph (a) of this section.

(c) All denials shall be treated as final opinions under § 1602.5(b).

**§ 1602.12 Appeals of denials.**

(a) Any person whose written request has been denied is entitled to appeal the denial within 90 days by writing to the President of the Corporation or, in the case of a denial of a request for Office of Inspector General records, the Inspector General, at the addresses given in § 1602.5(a) and § 1602.8(b). The envelope and letter or e-mail appeal should be clearly marked: "Freedom of Information Appeal." An appeal need not be in any particular form, but should adequately identify the denial, if possible, by describing the requested record, identifying the official who issued the denial, and providing the date on which the denial was issued.

(b) No personal appearance, oral argument, or hearing will ordinarily be permitted on appeal of a denial. Upon request and a showing of special circumstances, however, this limitation may be waived and an informal conference may be arranged with the President or designee, or Inspector General or designee, for this purpose.

(c) The decision of the President or the Inspector General on an appeal shall be in writing and, in the event the denial is in whole or in part upheld,

shall contain an explanation responsive to the arguments advanced by the requester, the matters described in § 1602.11(a) (1) through (4), and the provisions for judicial review of such decision under section 552(a)(4) of the FOIA. The decision shall be dispatched to the requester within 20 working days after receipt of the appeal, unless an additional period is justified pursuant to § 1602.8(i) and such period taken together with any earlier extension does not exceed 10 days. The decision of the President or the Inspector General shall constitute the final action of the Corporation. All such decisions shall be treated as final opinions under § 1602.5(b).

(d) On an appeal, the President or designee shall consult with the Office of Inspector General prior to reversing in whole or in part the denial of any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which are maintained by other components of the Corporation. The Inspector General or designee shall consult with the President prior to reversing in whole or in part the denial.

**§ 1602.13 Fees.**

(a) No fees will be charged for information routinely provided in the normal course of doing business.

(b) Fees shall be limited to reasonable standard charges for document search, review, and duplication, when records are requested for commercial use;

(c) Fees shall be limited to reasonable standard charges for document duplication after the first 100 pages, when records are sought by a representative of the news media or by an educational or non-commercial scientific institution; and

(d) For all other requests, fees shall be limited to reasonable standard charges for search time after the first 2 hours and duplication after the first 100 pages.

(e) The schedule of charges for services regarding the production or disclosure of the Corporation's records is as follows:

## Legal Services Corporation

## § 1602.13

(1) Manual search for and review of records will be charged as follows:

- (i) Band 1: \$10.26 per hour;
- (ii) Band 2: \$16.12 per hour;
- (iii) Band 3: \$25.22 per hour;
- (iv) Band 4-5: \$42 per hour;
- (v) Charges for search and review time less than a full hour will be billed by quarter-hour segments;
- (2) Computer time: actual charges as incurred;
- (3) Duplication by paper copy: 10 cents per page;
- (4) Duplication by other methods: actual charges as incurred;
- (5) Certification of true copies: \$1.00 each;
- (6) Packing and mailing records: no charge for regular mail;
- (7) Special delivery or express mail: actual charges as incurred.

(f) Fee waivers. Fees will be waived or reduced below the fees established under paragraph (e) of this section if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Corporation or Federal government and is not primarily in the commercial interest of the requester.

(1) In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Corporation or Federal government, the Corporation will consider the following four criteria:

- (i) The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the Corporation or the Federal government";
- (ii) The informative value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of Corporation or Federal government operations or activities;
- (iii) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to "public understanding"; and
- (iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute

"significantly" to public understanding of the Corporation or Federal government operations or activities.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Corporation will consider the following two factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so,

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester."

(3) These fee waiver/reduction provisions will be subject to appeal in the same manner as appeals from denial under § 1602.12.

(g) No fee will be charged under this section unless the cost of routine collection and processing of the fee payment is likely to exceed \$6.50.

(h) Requesters must agree to pay all fees charged for services associated with their requests. The Corporation will assume that requesters agree to pay all charges for services associated with their requests up to \$25 unless otherwise indicated by the requester. For requests estimated to exceed \$25, the Corporation will first consult with the requester prior to processing the request, and such requests will not be deemed to have been received by the Corporation until the requester agrees in writing to pay all fees charged for services.

(i) No requester will be required to make an advance payment of any fee unless:

(1) The requester has previously failed to pay a required fee within 30 days of the date of billing, in which case an advance deposit of the full amount of the anticipated fee together with the fee then due plus interest accrued may be required. (The request will not be deemed to have been received by the Corporation until such payment is made.); or

(2) The Corporation determines that an estimated fee will exceed \$250, in

which case the requester shall be notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. Such notification shall be transmitted as soon as possible, but in any event within 5 working days of receipt by the Corporation, giving the best estimate then available. The notification shall offer the requester the opportunity to confer with appropriate representatives of the Corporation for the purpose of reformulating the request so as to meet the needs of the requester at a reduced cost. The request will not be deemed to have been received by the Corporation for purposes of the initial 20-day response period until the requester makes a deposit on the fee in an amount determined by the Corporation.

(j) Interest may be charged to those requesters who fail to pay the fees charged. Interest will be assessed on the amount billed, starting on the 31st day following the day on which the billing was sent. The rate charged will be as prescribed in 31 U.S.C. 3717.

(k) If the Corporation reasonably believes that a requester or group of requesters is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, the Corporation shall aggregate such requests and charge accordingly. Likewise, the Corporation will aggregate multiple requests for documents received from the same requester within 45 days.

(l) The Corporation reserves the right to limit the number of copies that will be provided of any document to any one requester or to require that special arrangements for duplication be made in the case of bound volumes or other records representing unusual problems of handling or reproduction.

A council shall be composed of nine members. A majority of the members

## § 1603.7

of a council shall be attorneys admitted to practice in the State. It is recommended that the remainder of the council, to the maximum extent possible, be broadly representative of persons concerned with the effective functioning of legal services programs. Membership of a council shall be subject to annual reappointment, but it is recommended that no member of a council be appointed to serve for more than three consecutive years.

### **§ 1603.4 Procedure for appointment of council.**

At the formal request of the Board, to be made before January 14, 1976, the Governor may appoint a council for the State. Those council members who are attorneys admitted to practice in the State shall be appointed by the Governor after recommendations have been received from the State bar association. In making such appointments, it is recommended that the Governor consult with other bar associations in the State, representatives of groups concerned with the interests of recipients, eligible clients and other interested groups. It is recommended that the Governor appoint attorneys who have interest in and knowledge of the delivery of quality legal services to the poor, and that the remaining members of the council, who are not attorneys, be selected after the Governor has consulted with representatives of groups concerned with the interests of eligible clients. It is recommended that the Governor seek recommendations from recipients in the State before appointing any members to the council. Sixty days prior to the expiration of a member's term, the Governor shall notify those groups mentioned in this Section so that their recommendations may be solicited for purposes of appointment of a new member or reappointment of an incumbent member of the council.

### **§ 1603.5 Council purpose and duties.**

(b) In fulfilling the purpose set forth in paragraph (a) of this section, the council shall forward any apparent violation to the Corporation. The Chair-

person of the council shall inform the complainant, the Corporation and the recipient of any action taken on the complaint. Notification of an apparent violation forwarded by the council to the Corporation shall not necessarily constitute a position of the council concerning the apparent violation.

(c) These procedures are not exclusive. Complaints may be submitted to the Corporation, and complaints submitted to a council may be submitted to the Corporation without regard to council action. The Corporation shall inform the complainant, the council and the recipient of all action taken on the complaint.

### **§ 1603.6 Duties of Corporation upon receipt of notification of violation.**

(a) Upon receipt of a notification of an apparent violation, the matters contained therein shall be investigated and resolved by the Corporation in accordance with the Act and rules and regulations issued thereunder.

(b) Upon receipt from a council of a notification of an apparent violation, the Corporation shall allow any recipient affected thereby a reasonable time (but in no case less than thirty days) to reply to any allegation contained in the notification.

(c) The Corporation shall inform the Chairperson of a council of the action, if any, the Corporation has taken with regard to any notification received from such council.

### **§ 1603.7 Organization and procedural functioning of council.**

(a) Within 30 days after the appointment of the council, and annually thereafter, the Governor shall send to the Secretary of the Corporation in Washington, DC, a list of the members of the council for the State that shall include the name, address and telephone number of each council member, and indicate which members are attorneys.

(b) It is recommended that the Governor appoint from among those named to the council a Chairperson of the council.

(c) It is recommended that each council establish at its first meeting such fair and reasonable procedures for its operation as it may deem necessary

#### § 1603.8

to carry out the purpose set forth in § 1603.5(a) of this chapter. The procedures for operation of the council shall include provisions for notifying the appropriate regional director of the Corporation of the time and place of any meeting of the council.

(d) It is recommended that a council meet at the call of the Chairperson thereof, or at the request to the Chairperson of at least four members thereof, at such times as may be necessary to carry out its duties, but at least annually.

#### § 1603.8 Corporation support of council.

(a) The Corporation shall inform the Chairperson of each council of the funds available to the council from the Corporation for actual and reasonable expenses incurred by members of the council to pursue council business.

(b) It shall be the duty of the President of the Corporation to keep the Chairperson of each council informed of the work of the Corporation.

(c) The Secretary of the Corporation shall mail annually to each recipient the name and address of the Chairperson of the appropriate council and a form of notice indicating where complaints may be sent. The recipient shall post said name and address of the Chairperson and said notice in plain public view in each office of the recipient.

#### § 1603.9 Annual report of council.

On or before March 31, 1977, and on or before March 31 of each succeeding year, a council shall submit to the Corporation a report of the activities of the council during the previous calendar year. The report may contain comments or suggestions regarding how best to provide high quality legal assistance to the poor, and regarding such other matters having to do with provision of legal services to eligible clients in the State as the council may deem advisable.

### § 1607.1 Purpose.

This part is designed to insure that the governing body of a recipient will be well qualified to guide a recipient in its efforts to provide high-quality legal assistance to those who otherwise would be unable to obtain adequate legal counsel and to insure that the recipient is accountable to its clients.

### § 1607.2 Definitions.

As used in this part,

(c) *Eligible client member* means a board member who is financially eligible to receive legal assistance under the Act and part 1611 of this chapter at the time of appointment to each term of office to the recipient's governing body, without regard to whether the person actually has received or is receiving legal assistance at that time. Eligibility of client members shall be determined by the recipient or, if the recipient so chooses, by the appointing organization(s) or group(s) in accordance with written policies adopted by the recipient.

(d) *Governing body* means the board of directors or other body with authority to govern the activities of a recipient receiving funds under § 1006(a)(1)(A) of the Act.

(f) *Recipient* means any grantee or contractor receiving financial assistance from the Corporation under § 1006(a)(1)(A) of the Act.

### § 1607.3 Composition.

(a) A recipient shall be incorporated in a State in which it provides legal assistance and shall have a governing body which reasonably reflects the interests of the eligible clients in the area served and which consists of members, each of whom is supportive of the purposes of the Act and has an interest in, and knowledge of, the delivery of quality legal services to the poor.

(b) At least sixty percent (60%) of a governing body shall be attorney members.

(1) A majority of the members of the governing body shall be attorney members appointed by the governing body(ies) of one or more State, county or municipal bar associations, the membership of which represents a majority of attorneys practicing law in the localities in which the recipient provides legal assistance.

(i) Appointments may be made either by the bar association which represents

## Legal Services Corporation

## § 1607.4

a majority of attorneys in the recipient's service area or by bar associations which collectively represent a majority of the attorneys practicing law in the recipient's service area.

(ii) Recipients that provide legal assistance in more than one State may provide that appointments of attorney members be made by the appropriate bar association(s) in the State(s) or locality(ies) in which the recipient's principal office is located or in which the recipient provides legal assistance.

(2) Any additional attorney members may be selected by the recipient's governing body or may be appointed by other organizations designated by the recipient which have an interest in the delivery of legal services to the poor.

(3) Appointments shall be made so as to insure that the attorney members reasonably reflect the diversity of the legal community and the population of the areas served by the recipient, including race, ethnicity, gender and other similar factors.

(c) At least one-third of the members of a recipient's governing body shall be eligible clients when appointed. The members who are eligible clients shall be appointed by a variety of appropriate groups designated by the recipient that may include, but are not limited to, client and neighborhood associations and community-based organizations which advocate for or deliver services or resources to the client community served by the recipient. Recipients shall designate groups in a manner that reflects, to the extent possible, the variety of interests within the client community, and eligible client members should be selected so that they reasonably reflect the diversity of the eligible client population served by the recipient, including race, gender, ethnicity and other similar factors.

(d) The remaining members of a governing body may be appointed by the recipient's governing body or selected in a manner described in the recipient's bylaws or policies, and the appointment or selection shall be made so that the governing body as a whole reasonably reflects the diversity of the areas served by the recipient, including race, ethnicity, gender and other similar factors.

(e) The nonattorney members of a governing body shall not be dominated by persons serving as the representatives of a single association, group or organization, except that eligible client members may be selected from client organizations that are composed of coalitions of numerous smaller or regionally based client groups.

(f) Members of a governing body may be selected by appointment, election, or other means consistent with this part and with the recipient's bylaws and applicable State law.

(g) Recipients shall make reasonable and good faith efforts to insure that governing body vacancies are filled as promptly as possible.

(h) Recipients may recommend candidates for governing body membership to the appropriate bar associations and other appointing groups and should consult with the appointing organizations to insure that:

(1) Appointees meet the criteria for board membership set out in this part, including financial eligibility for persons appointed as eligible clients, bar admittance requirements for attorney board members, and the general requirements that all members be supportive of the purposes of the Act and have an interest in and knowledge of the delivery of legal services to the poor;

(2) The particular categories of board membership and the board as a whole meet the diversity requirements described in §§ 1607.3(b)(3), 1607.3(c) and 1607.3(d);

(3) Appointees do not have actual and significant individual or institutional conflicts of interest with the recipient or the recipient's client community that could reasonably be expected to influence their ability to exercise independent judgment as members of the recipient's governing body.

### **§ 1607.4 Functions of a governing body.**

(a) A governing body shall have at least four meetings a year. A recipient shall give timely and reasonable prior public notice of all meetings, and all meetings shall be public except for those concerned with matters properly

discussed in executive session in accordance with written policies adopted by the recipient's governing body.

(b) In addition to other powers and responsibilities that may be provided for by State law, a governing body shall establish and enforce broad policies governing the operation of a recipient, but neither the governing body nor any member thereof shall interfere with any attorney's professional responsibilities to a client or obligations as a member of the profession or interfere with the conduct of any ongoing representation.

(c) A governing body shall adopt bylaws which are consistent with State law and the requirements of this part. Recipients shall submit a copy of such bylaws to the Corporation and shall give the Corporation notice of any changes in such bylaws within a reasonable time after the change is made.

#### § 1607.5 Compensation.

(a) While serving on the governing body of a recipient, no attorney member shall receive compensation from that recipient, but any member may receive a reasonable per diem expense payment or reimbursement for actual expenses for normal travel and other reasonable out-of-pocket expenses in accordance with written policies adopted by the recipient.

(b) Pursuant to a waiver granted under § 1607.6(b)(1), a recipient may adopt policies that would permit partners or associates of attorney members to participate in any compensated private attorney involvement activities supported by the recipient.

(c) A recipient may adopt policies that permit attorney members, subject to terms and conditions applicable to other attorneys in the service area:

(1) To accept referrals of fee-generating cases under part 1609 of these regulations;

(2) To participate in any uncompensated private attorney involvement activities supported by the recipient;

(3) To seek and accept attorneys' fees awarded by a court or administrative body or included in a settlement in cases undertaken pursuant to §§ 1607.5 (c) (1) and (2); and

#### § 1607.6 Waiver.

(a) Upon application, the president shall waive the requirements of this part to permit a recipient that was funded under § 222(a)(3) of the Economic Opportunity Act of 1964 and, on July 25, 1974, had a majority of persons who were not attorneys on its governing body, to continue such nonattorney majority.

(b) Upon application, the president may waive any of the requirements of this part which are not mandated by applicable law if a recipient demonstrates that it cannot comply with them because of: (1) The nature of the population, legal community or area served; or (2) Special circumstances, including but not limited to, conflicting requirements of the recipient's other major funding source(s) or State law.

(c) A recipient seeking a waiver under § 1607.6(b)(1) shall demonstrate that it has made diligent efforts to comply with the requirements of this part.

(d) As a condition of granting a waiver under § 1607.6(b)(2) of any of the requirements imposed upon governing bodies by § 1607.3, the president shall require that a recipient have a policy body with a membership composed and appointed in the manner prescribed by § 1607.3. Such policy body shall be subject to the meeting requirements of § 1607.4(a) and its attorney members shall be subject to the restrictions on compensation contained in § 1607.5. The policy body shall have such specific powers and responsibilities as the President determines are necessary to enable it to formulate and enforce policy with respect to the services provided under the recipient's LSC grant or contract.

### § 1609.1 Purpose.

This part is designed:

(a) To ensure that recipients do not use scarce legal services resources when private attorneys are available to provide effective representation and

(b) To assist eligible clients to obtain appropriate and effective legal assistance.

### § 1609.2 Definition.

(a) *Fee-generating case* means any case or matter which, if undertaken on behalf of an eligible client by an attorney in private practice, reasonably may be expected to result in a fee for legal services from an award to a client, from public funds or from the opposing party.

(b) *Fee-generating case* does not include a case where:

(1) A court appoints a recipient or an employee of a recipient to provide representation in a case pursuant to a statute or a court rule or practice equally applicable to all attorneys in the jurisdiction, or

(1) The case has been rejected by the local lawyer referral service, or by two private attorneys; or

(2) Neither the referral service nor two private attorneys will consider the case without payment of a consultation fee.

(b) A recipient may provide legal assistance in a fee-generating case without first attempting to refer the case pursuant to paragraph (a) of this section only when:

(1) An eligible client is seeking benefits under Subchapter II of the Social Security Act, 42 U.S.C. 401 *et seq.*, as amended, Federal Old Age, Survivors, and Disability Insurance Benefits; or Subchapter XVI of the Social Security Act, 42 U.S.C. 1381 *et seq.*, as amended, Supplemental Security Income for Aged, Blind, and Disabled;

(3) The director of the recipient, or the director's designee, has determined that referral of the case to the private bar is not possible because:

(i) Documented attempts to refer similar cases in the past generally have been futile;

(ii) Emergency circumstances compel immediate action before referral can be made, but the client is advised that, if appropriate, and consistent with professional responsibility, referral will be attempted at a later time; or

(iii) Recovery of damages is not the principal object of the recipient's client's case and substantial statutory attorneys' fees are not likely to be available.

(c) Recipients should refer to 45 CFR part 1642 for restrictions on claiming, or collecting and retaining attorneys' fees.

*Income* means actual current annual total cash receipts before taxes of all persons who are resident members of,

and contribute to, the support of a family unit.

*Total cash receipts* include money wages and salaries before any deduction, but do not include food or rent in lieu of wages; income from self-employment after deductions for business or farm expenses; regular payments from public assistance; social security; unemployment and worker's compensation; strike benefits from union funds; veterans benefits; training stipends; alimony, child support and military family allotments or other regular support from an absent family member or someone not living in the household; public or private employee pensions, and regular insurance or annuity payments; and income from dividends, interest, rents, royalties or from estates and trusts. They do not include money withdrawn from a bank, tax refunds, gifts, compensation and/or one-time insurance payments for injuries sustained, and non-cash benefits.

**§ 1611.3 Maximum income level.**

(a) Every recipient shall establish a maximum annual income level for persons to be eligible to receive legal assistance under the Act.

(b) Unless specifically authorized by the Corporation, a recipient shall not establish a maximum annual income level that exceeds one hundred and twenty-five percent (125 percent) of the current official Federal Poverty Income Guidelines. The maximum annual income levels are set forth in Appendix A.

(c) Before establishing its maximum income level, a recipient shall consider relevant factors including:

- (1) Cost-of-living in the locality;
- (2) The number of clients who can be served by the resources of the recipient;
- (3) The population who would be eligible at and below alternative income levels; and
- (4) The availability and cost of legal services provided by the private bar in the area.

(d) Unless authorized by § 1611.4, no person whose income exceeds the maximum annual income level established by a recipient shall be eligible for legal assistance under the Act.

(e) This part does not prohibit a recipient from providing legal assistance to a client whose annual income exceeds the maximum income level established here, if the assistance provided the client is supported by funds from a source other than the Corporation.

**§ 1611.4 Authorized exceptions.**

(a) A person whose gross income exceeds the maximum income level established by a recipient but does not exceed 150 percent of the national eligibility level (125% of poverty) may be provided legal assistance under the Act if:

(1) The person's circumstances require that eligibility should be allowed on the basis of one or more of the factors set forth in § 1611.5(b)(1); or

(2) The person is seeking legal assistance to secure benefits provided by a governmental program for the poor.

(b) In the event that a recipient determines to serve a person whose gross income exceeds 125% of poverty, that decision shall be documented and included in the client's file. The recipient shall keep such other records as will provide information to the Corporation as to the number of clients so served and the factual bases for the decisions made.

**§ 1611.5 Determination of eligibility.**

(a) The governing body of a recipient shall adopt guidelines, consistent with these regulations, for determining the eligibility of persons seeking legal assistance under the Act. By January 30, 1984, and annually thereafter, guidelines shall be reviewed and appropriate adjustments made.

(b) In addition to gross income, a recipient shall consider the other relevant factors listed in paragraphs (b)(1) and (b)(2) of this section before determining whether a person is eligible to receive legal assistance.

(1) Factors which shall be used in the determination of the eligibility of clients over the maximum income level shall include:

(A) Current income prospects, taking into account seasonal variations in income;

## Legal Services Corporation

## § 1611.6

(B) Medical expenses, and in exceptional instances, with the prior, written approval of the project director based on written documentation received by the recipient and available for review by the Corporation, if a person's gross income is primarily committed to medical or nursing home expenses, a person may be served even if that person's gross income exceeds 150 percent of the national eligibility level;

(C) Fixed debts and obligations, including unpaid Federal, state and local taxes from prior years;

(D) Child care, transportation, and other expenses necessary for employment;

(E) Expenses associated with age or physical infirmity of resident family members; and

(F) Other significant factors related to financial inability to afford legal assistance.

(2) Factors which shall be used in the determination of the eligibility of clients under the maximum income level shall include:

(A) Current income prospects, taking into account seasonal variations in income;

(B) The availability of private legal representation at a low cost with respect to the particular matter in which assistance is sought;

(C) The consequences for the individual if legal assistance is denied;

(D) The existence of assets, including both liquid and nonliquid, which are available to the applicant and are in excess of the asset ceiling set by the recipient pursuant to § 1611.6;

(E) Other significant factors related to financial inability to afford legal assistance, which may include evidence of a prior administrative or judicial determination that the person's present lack of income results from refusal or unwillingness, without good cause, to seek or accept suitable employment.

(3)(A) If a recipient tentatively determines to serve a client over the maximum income level on the basis of factors listed in § 1611.5(b)(1), the factors listed in § 1611.5(b)(2) shall also be used before reaching a final determination.

(B) If a recipient tentatively determines not to serve a client under the maximum income level on the basis of

factors listed in § 1611.5(b)(2), the factors listed in § 1611.5(b)(1) must also be used before reaching a final determination.

(c) A recipient may provide legal assistance to a group, corporation, or association if it is primarily composed of persons eligible for legal assistance under the Act and if it provides information showing that it lacks, and has no practical means of obtaining, funds to retain private counsel.

### § 1611.6 Asset ceilings.

(a) By January 30, 1984, and annually thereafter, the governing body of the recipient shall establish and transmit to the Corporation guidelines incorporating specific and reasonable asset ceilings, including both liquid and non-liquid assets, to be utilized in determining eligibility for services. The guidelines shall consider the economy of the service area and the relative cost-of-living of low-income persons so as to ensure the availability of services to those in the greatest economic and legal need.

(b) The guidelines shall be consistent with the recipient's priorities established in accordance with 45 CFR 1620 and special consideration shall be given to the legal needs of the elderly, institutionalized, and handicapped.

(c) Assets considered shall include all liquid and non-liquid assets of all persons who are resident members of a family unit, except that a recipient may exclude the principal residence of a client. The guidelines shall take into account impediments to an individual's access to assets of the family unit or household.

(d) Reasonable equity value in work-related equipment which is essential to the employment or self-employment of an applicant or member of a family unit, shall not be utilized to disqualify an applicant, provided that the owner is attempting to produce income consistent with its fair market value.

(e) The governing body may establish authority for the project director to waive the ceilings on minimum allowable assets in unusual or extremely meritorious situations. In the event that a waiver is granted, that decision shall be documented and included in the client's file. The recipient shall

## § 1611.7

keep such other records as will provide information to the Corporation as to the number of clients so served and the factual basis for the decisions made.

### § 1611.7 Manner of determining eligibility.

(a) A recipient shall adopt a simple form and procedure to obtain information to determine eligibility in a manner that promotes the development of trust between attorney and client. The form and procedure adopted shall be subject to approval by the Corporation, and the information obtained shall be preserved, in a manner that protects the identity of the client, for audit by the Corporation.

(b) If there is substantial reason to doubt the accuracy of the information, a recipient shall make appropriate inquiry to verify it, in a manner consistent with an attorney-client relationship.

(c) Information furnished to a recipient by a client to establish financial eligibility shall not be disclosed to any person who is not employed by the recipient in a manner that permits identification of the client, without express written consent of the client, except that the recipient shall provide such information to the Corporation when:

(1) The Corporation is investigating allegations that question the financial eligibility of a previously identified client and the recipient's representation thereof;

(2) The information sought by the Corporation relates solely to the financial eligibility of that particular client;

(3) The information sought by the Corporation is necessary to confirm or deny specific allegations relating to that particular client's financial eligibility and the recipient's representation thereof; and

(4) The specific information sought by the Corporation is not protected by the attorney-client privilege.

The information provided to the Corporation by the recipient shall not be disclosed to any person who is not employed by the Corporation. Prior to providing the information to the Corporation, the recipient shall notify the client that the recipient is required to

## 45 CFR Ch. XVI (10–1–98 Edition)

provide to the Corporation the information sought.

### § 1611.8 Retainer agreement.

(a) A recipient shall execute a written retainer agreement, in a form approved by the Corporation, with each client who receives legal services from the recipient. The retainer agreement shall be executed when representation commences (or, if not possible owing to an emergency situation, as soon thereafter as is practicable), and shall clearly identify the relationship between the client and the recipient, the matter in which representation is sought, the nature of the legal services to be provided, and the rights and responsibilities of the client. The recipient shall retain the executed retainer agreement as part of the client's file, and shall make the agreement available for review by the Corporation in a manner which protects the identity of the client.

(b) A recipient is not required to execute a written retainer agreement when the only service to be provided is brief advice and consultation.

### § 1611.9 Change in circumstances.

If an eligible client becomes ineligible through a change in circumstances, a recipient shall discontinue representation if the change in circumstances is sufficiently likely to continue for the client to afford private legal assistance, and discontinuation is not inconsistent with the attorney's professional responsibilities.

#### § 1613.2 Definition.

Legal assistance may be provided with respect to a criminal proceeding.

SOURCE: 50 FR 48591, Nov. 26, 1985, unless otherwise noted.

### § 1614.1 Purpose.

(a) This part is designed to ensure that recipients of Legal Services Corporation funds involve private attorneys in the delivery of legal assistance to eligible clients. Except as provided hereafter, a recipient of Legal Services Corporation funding shall devote an amount equal to at least twelve and one-half percent (12½%) of the recipient's LSC annualized basic field award to the involvement of private attorneys in such delivery of legal services; this requirement is hereinafter sometimes referred to as the "PAI requirement". Funds received from the Corporation as one-time special grants shall not be considered in determining a recipient's PAI requirement.

(b) Recipients of Native American or migrant funding shall provide opportunity for involvement in the delivery of services by the private bar in a manner which is generally open to broad participation in those activities undertaken with those funds, or shall demonstrate to the satisfaction of the Corporation that such involvement is not feasible.

(c) Because the Corporation's PAI requirement is based upon an effort to generate the most possible legal services for eligible clients from available, but limited, resources, recipients should attempt to assure that the market value of PAI activities substantially exceeds the direct and indirect costs being allocated to meet the requirements of this Part.

(d) As of January 1, 1986, the term "private attorney" as used in this Part means an attorney who is not a staff attorney as defined in § 1600.1 of these regulations.

(e) After the effective date of this regulation, no PAI funds shall be committed for direct payment to any attorney who for any portion of the previous two years has been a staff attorney as defined in § 1600.1 of these regulations; provided, however, that, for the remainder of the 1986 fiscal year, recipients may honor contractual arrangements made to such private attorneys if these arrangements were made before the effective date of this regulation; provided, further, however, that this paragraph shall not be construed to restrict the use of PAI funds in a *pro bono* or *judicare* project on the same terms that are available to other attorneys; and provided further, however, that this paragraph shall not be construed to restrict the payment of PAI funds as a result of work performed by an attorney who practices in the same firm with such former staff attorney.

[50 FR 48591, Nov. 26, 1985, as amended at 51 FR 21559, June 13, 1986]

### § 1614.2 General policy.

(a) This part implements the policy adopted by the Board of Directors of the Corporation which requires that a substantial amount of funds be made available to encourage the involvement of private attorneys in the delivery of

legal assistance to eligible clients through both *pro bono* and compensated mechanisms, and that such funds be expended in an economic and efficient manner.

(b) In the case of recipients whose service areas are adjacent, coterminous or overlapping, the recipients may enter into joint efforts to involve the private attorneys in the delivery of legal services to eligible clients, subject to the prior approval of the Office of Field Services. In order to be approved the joint venture plan must meet the following conditions:

(1) The recipients involved in the joint venture must plan to expend at least twelve and one-half percent (12½%) of the aggregate of their basic field awards on PAI. In the case of recipients with adjacent service areas, 12½% of each recipient's grant shall be expended to PAI; provided, however, that such expenditure is subject to waiver under § 1614.6;

(2) Each recipient in the joint venture must be a bona fide participant in the activities undertaken by the joint venture; and

(3) The joint PAI venture must provide an opportunity for involving private attorneys throughout the entire joint service area(s).

(c) Private attorney involvement shall be an integral part of a total local program undertaken within the established priorities of that program in a manner that furthers the statutory requirement of high quality, economical and effective client-centered legal assistance to eligible clients. Decisions concerning implementation of the substantial involvement requirement rest with the recipient through its governing body, subject to review and evaluation by the Corporation.

**§ 1614.3 Range of activities.**

(a) Activities undertaken by the recipient to meet the requirements of this part must include the direct delivery of legal assistance to eligible clients through programs such as organized *pro bono* plans, reduced fee plans, judicare panels, private attorney contracts, or those modified *pro bono* plans which provide for the payment of nominal fees by eligible clients and/or organized referral systems; except that

payment of attorney's fees through "revolving litigation fund" systems, as described in § 1614.5 of this part, shall neither be used nor funded under this part nor funded with any LSC support;

(b) Activities undertaken by recipients to meet the requirements of this part may also include, but are not limited to:

(1) Support provided by private attorneys to the recipient in its delivery of legal assistance to eligible clients on either a reduced fee or *pro bono* basis through the provision of community legal education, training, technical assistance, research, advice and counsel; co-counseling arrangements; or the use of private law firm facilities, libraries, computer-assisted legal research systems or other resources; and

(2) Support provided by the recipient in furtherance of activities undertaken pursuant to this Section including the provision of training, technical assistance, research, advice and counsel, or the use of recipient facilities, libraries, computer assisted legal research systems or other resources.

(c) The specific methods to be undertaken by a recipient to involve private attorneys in the provision of legal assistance to eligible clients will be determined by the recipient's taking into account the following factors:

(1) The priorities established pursuant to part 1620 of these regulations;

(2) The effective and economic delivery of legal assistance to eligible clients;

(3) The linguistic and cultural barriers to effective advocacy.

(4) The actual or potential conflicts of interest between specific participating attorneys and individual eligible clients; and

(5) The substantive and practical expertise, skills, and willingness to undertake new or unique areas of the law of participating attorneys.

(d) Systems designed to provide direct services to eligible clients by private attorneys on either a *pro bono* or reduced fee basis, shall include at a minimum, the following components:

(1) Intake and case acceptance procedures consistent with the recipient's established priorities in meeting the legal needs of eligible clients;

## Legal Services Corporation

## § 1614.4

(2) Case assignments which ensure the referral of cases according to the nature of the legal problems involved and the skills, expertise, and substantive experience of the participating attorney;

(3) Case oversight and follow-up procedures to ensure the timely disposition of cases to achieve, if possible, the result desired by the client and the efficient and economical utilization of recipient resources; and

(4) Access by private attorneys to LSC recipient resources, including those of LSC national and state support centers, that provide back-up on substantive and procedural issues of the law.

(e) The recipient shall demonstrate compliance with this part by utilizing financial systems and procedures and maintaining supporting documentation to identify and account separately for costs related to the PAI effort. Such systems and records shall meet the requirements of the Corporation's Audit and Accounting Guide for Recipients and Auditors and shall have the following characteristics:

(1) They shall accurately identify and account for:

(i) The recipient's administrative, overhead, staff, and support costs related to PAI activities. Non-personnel costs shall be allocated on the basis of reasonable operating data. All methods of allocating common costs shall be clearly documented. If any direct or indirect time of staff attorneys or paralegals is to be allocated as a cost to PAI, such costs must be documented by time sheets accounting for the time those employees have spent on PAI activities. The timekeeping requirement does not apply to such employees as receptionists, secretaries, intake personnel or bookkeepers; however, personnel cost allocations for non-attorney or non-paralegal staff should be based on other reasonable operating data which is clearly documented;

(ii) Payments to private attorneys for support or direct client services rendered. The recipient shall maintain contracts on file which set forth payment systems, hourly rates, and maximum allowable fees. Bills and/or invoices from private attorneys shall be submitted before payments are made.

Encumbrances shall not be included in calculating whether a recipient has met the requirement of this part;

(iii) Contractual payments to individuals or organizations that undertake administrative, support, and/or direct services to eligible clients on behalf of the recipient consistent with the provisions of this part. Contracts concerning transfer of LSC funds for PAI activities shall require that such funds be accounted for by the recipient in accordance with LSC guidelines, including the requirements of the Audit and Accounting Guide for Recipients and Auditors and 45 CFR part 1627;

(iv) Other such actual costs as may be incurred by the recipient in this regard.

(2) Support and expenses relating to the PAI effort must be reported separately in the recipient's year-end audit. This shall be done by establishing a separate fund or providing a separate schedule in the financial statement to account for the entire PAI allocation. Recipients are not required to establish separate bank accounts to segregate funds allocated to PAI. Auditors are required to perform sufficient audit tests to enable them to render an opinion on the recipient's compliance with the requirements of this part.

(3) In private attorney models, attorneys may be reimbursed for actual costs and expenses. Attorney's fees paid may not exceed 50% of the local prevailing market rate for that type of service.

(4) All records pertaining to a recipient's PAI requirements which do not contain client confidences or secrets as defined by applicable state law shall be made available for inspection and review by LSC auditors and monitors during regular business hours.

### § 1614.4 Procedure.

(a) The recipient shall develop a plan and budget to meet the requirements of this part which shall be incorporated as a part of the refunding application or initial grant application. The budget shall be modified as necessary to fulfill this part. That plan shall take into consideration:

(1) The legal needs of eligible clients in the geographical area served by the recipient and the relative importance

of those needs consistent with the priorities established pursuant to section 1007(a)(2)(C) of the Legal Services Corporation Act (42 U.S.C. 2996f(a)(2)(C)) and part 1620 of the Regulations (45 CFR part 1620) adopted pursuant thereto;

(2) The delivery mechanisms potentially available to provide the opportunity for private attorneys to meet the established priority legal needs of eligible clients in an economical and effective manner; and

(3) The results of the consultation as required below.

(b) The recipient shall consult with significant segments of the client community, private attorneys, and bar associations, including minority and women's bar associations, in the recipient's service area in the development of its annual plan to provide for the involvement of private attorneys in the provision of legal assistance to eligible clients and shall document that each year its proposed annual plan has been presented to all local bar associations within the recipient's service area and shall summarize their response.

**§ 1614.5 Prohibition of revolving litigation funds.**

(a) A revolving litigation fund system is a system under which a recipient systematically encourages the acceptance of fee-generating cases as defined in § 1609.2 of these regulations by advancing funds to private attorneys to enable them to pay costs, expenses, or attorneys fees for representing clients.

(b) No funds received from the Legal Services Corporation shall be used to establish or maintain revolving litigation fund systems.

(c) The prohibition in paragraph (b) of this section does not prevent recipients from reimbursing or paying private attorneys for costs and expenses, provided:

(1) The private attorney is representing an eligible client in a matter in which representation of the eligible client by the recipient would be allowed under the Act and under the Corporation's Regulations; and

(2) The private attorney has expended such funds in accordance with a schedule previously approved by the recipient's governing body or, prior to initiating action in the matter, has requested the recipient to advance the funds.

ent's governing body or, prior to initiating action in the matter, has requested the recipient to advance the funds.

(d) Nothing in this section shall prevent a recipient from recovering from a private attorney the amount advanced for any costs, expenses, or fees from an award to the attorney for representing an eligible client.

**§ 1614.6 Waivers.**

(a) While it is the expectation and experience of the Corporation that most basic field programs can effectively expend their PAI requirement, there are some circumstances, temporary or permanent, under which the goal of economical and effective use of Corporation funds will be furthered by a partial, or in exceptional circumstances, a complete waiver of the PAI requirement.

(b) A complete waiver shall be granted by the Office of Field Services (OFS) when the recipient shows to the satisfaction of OFS that:

(1) Because of the unavailability of qualified private attorneys, an attempt to carry out a PAI program would be futile; or

(2) All qualified private attorneys in the program's service area either refuse to participate or have conflicts generated by their practice which render their participation inappropriate.

(c) A partial waiver shall be granted by OFS when the recipient shows to the satisfaction of OFS that:

(1) The population of qualified private attorneys available to participate in the program is too small to use the full PAI allocation economically and effectively; or

(2) Despite the recipient's best efforts too few qualified private attorneys are willing to participate in the program to use the full PAI allocation economically and effectively; or

(3) Despite a recipient's best efforts,—including, but not limited to , communicating its problems expending the required amount to OFS and requesting and availing itself of assistance and/or advice from OFS regarding the problem—expenditures already made during a program year are insufficient to meet the PAI requirement,

## Legal Services Corporation

## § 1614.7

and there is insufficient time to make economical and efficient expenditures during the remainder of a program year, but in this instance, unless the shortfall resulted from unforeseen and unusual circumstances, the recipient shall accompany the waiver request with a plan to avoid such a shortfall in the future; or

(4) The recipient uses a fee-for-service program whose current encumbrances and projected expenditures for the current fiscal year would meet the requirement, but its actual current expenditures do not meet the requirement, and could not be increased to do so economically and effectively in the remainder of the program year, or could not be increased to do so in a fiscally responsible manner in view of outstanding encumbrances; or

(5) The recipient uses a fee-for-service program and its PAI expenditures in the prior year exceeded the twelve and one-half percent (12½%) requirement but, because of variances in the timing of work performed by the private attorneys and the consequent billing for that work, its PAI expenditures for the current year fail to meet the twelve and one-half percent (12½%) requirement; or

(6) If, in the reasonable judgment of the recipient's governing body, it would not be economical and efficient for the recipient to expend its full 12½% of Corporation funds on PAI activities, provided that the recipient has handled and expects to continue to handle at least 12½% of cases brought on behalf of eligible clients through its PAI program(s).

(d) (1) A waiver of special accounting and bookkeeping requirements of this part may be granted by the Audit Division with the concurrence of OFS, if the recipient shows to the satisfaction of the Audit Division of OFS that such waiver will advance the purpose of this part as expressed in §§ 1614.1 and 1614.2.

(2) As provided in 45 CFR 1627.3(c) with respect to subgrants, alternatives to Corporation audit requirements or to the accounting requirements of this part may be approved for subgrants by the Audit Division with the concurrence of OFS; such alternatives for PAI subgrants shall be approved liberally

where necessary to foster increased PAI participation.

(e) Waivers of the PAI expenditure requirement may be full or partial, that is, the Corporation may waive all or some of the required expenditure for a fiscal year.

(1) Applications for waivers of any requirement under this part may be for the current, or next fiscal year. All such applications must be in writing. Applications for waivers for the current fiscal year must be received by the Corporation during the current fiscal year.

(2) At the expiration of a waiver a recipient may seek a similar or identical waiver.

(f) All Waiver requests shall be addressed to the Office of Field Services (OFS) or the Audit Division as is appropriate under the preceding provisions of this Part. The Corporation shall make a written response to each such request postmarked not later than thirty (30) days after its receipt. If the request is denied, the Corporation will provide the recipient with an explanation and statement of the grounds for denial. If the waiver is to be denied because the information submitted is insufficient, the Corporation will inform the recipient as soon as possible, both orally and in writing, about what additional information is needed. Should the Corporation fail to so respond, the request shall be deemed to be granted.

### § 1614.7 Failure to comply.

(a) If a recipient fails to comply with the expenditure required by this part and if that recipient fails without good cause to seek a waiver during the term of the grant or contract, the Corporation shall withhold from the recipient's support payments an amount equal to the difference between the amount expended on PAI and twelve and one-half percent (12½%) of the recipient's basic field award.

(b) If a recipient fails with good cause to seek a waiver, or applies for but does not receive a waiver, or receives a waiver of part of the PAI requirement and does not expend the amount required to be expended, the PAI expenditure requirement for the ensuing year shall be increased for that recipient by

an amount equal to the difference between the amount actually expended and the amount required to be expended.

(c) Any funds withheld by the Corporation pursuant to this section shall be made available by the Corporation for use in providing legal services in the recipient's service area through PAI programs. Disbursement of these funds shall be made through a competitive solicitation and awarded on the basis of efficiency, quality, creativity, and demonstrated commitment to PAI service delivery to low-income people.

(d) The withholding of funds under this section shall not be construed as a termination of financial assistance under part 1606 of these regulations or a denial of refunding under part 1625 of these regulations.

**§ 1622.5 Grounds on which meetings may be closed or information withheld.**

Except when the Board or council finds that the public interest requires otherwise, a meeting or a portion thereof may be closed to public observation, and information pertaining to such meeting or portion thereof may be withheld, if the Board or council determines that such meeting or portion thereof, or disclosure of such information, will more probably than not:

(a) Relate solely to the internal personnel rules and practices of the Corporation;

(b) Disclose matters specifically exempted from disclosure by statute (other than the Freedom of Information Act, 5 U.S.C. 552): Provided, That such statute (1) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or

(2) Establishes particular types of matters to be withheld;

(c) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(d) Involve accusing any person of a crime or formally censuring any person;

(e) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(f) Disclose investigatory records compiled for the purpose of enforcing the Act or any other law, or information which if written would be contained in such records, but only to the extent that production of such records or information would: (1) Interfere with enforcement proceedings,

(2) Deprive a person of a right to a fair trial or an impartial adjudication,

(3) Constitute an unwarranted invasion of personal privacy,

(4) Disclose the identity of a confidential source,

(5) Disclose investigative techniques and procedures, or

(6) Endanger the life or physical safety of law enforcement personnel;

(g) Disclose information the premature disclosure of which would be likely to frustrate significantly implementation of a proposed Corporation action, except that this paragraph shall not apply in any instance where the Corporation has already disclosed to the public the content or nature of its proposed action, or where the Corporation is required by law to make such disclosure on its own initiative prior to taking final action on such proposal; or

(h) Specifically concern the Corporation's participation in a civil action or proceeding, an action in a foreign court

or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Corporation of a particular case involving a determination on the record after opportunity for a hearing.

**§ 1622.6 Procedures for closing discussion or withholding information.**

(a) No meeting or portion of a meeting shall be closed to public observation, and no information about a meeting shall be withheld from the public, except by a recorded vote of a majority of the Directors with respect to each meeting or portion thereof proposed to be closed to the public, or with respect to any information that is proposed to be withheld.

(b) A separate vote of the Directors shall be taken with respect to each meeting or portion thereof proposed to be closed to the public, or with respect to any information which is proposed to be withheld; except, a single vote may be taken with respect to a series of meetings or portions thereof which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series.

(c) Whenever any person's interest may be directly affected by a matter to be discussed at a meeting, the person may request that a portion of the meeting be closed to public observation by filing a written statement with the Secretary. The statement shall set forth the person's interest, the manner in which that interest will be affected at the meeting, and the grounds upon which closure is claimed to be proper under § 1622.5. The Secretary shall promptly communicate the request to the Directors, and a recorded vote as required by paragraph (a) of this section shall be taken if any Director so requests.

(d) With respect to each vote taken pursuant to paragraphs (a) through (c) of this section, the vote of each Director participating in the vote shall be recorded and no proxies shall be allowed.

(e) With respect to each vote taken pursuant to paragraphs (a) through (c) of this section, the Corporation shall, within one business day, make publicly available:

(1) A written record of the vote of each Director on the question;

(2) A full written explanation of the action closing the meeting, portion(s) thereof, or series of meetings, with reference to the specific exemptions listed in § 1622.5, including a statement of reasons as to why the specific discussion comes within the cited exemption and a list of all persons expected to attend the meeting(s) or portion(s) thereof and their affiliation.

[49 FR 30940, Aug. 2, 1984, as amended at 50 FR 30714, July 29, 1985]

**§ 1622.7 Certification by the General Counsel.**

Before a meeting or portion thereof is closed, the General Counsel shall publicly certify that, in his opinion, the meeting may be so closed to the public and shall state each relevant exemption. A copy of the certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting and the persons present, shall be retained by the Corporation.

**§ 1622.8 Records of closed meetings.**

(a) The Secretary shall make a complete transcript or electronic recording adequate to record fully the proceedings of each meeting or portion thereof closed to the public, except that in the case of meeting or any portion thereof closed to the public pursuant to paragraph (h) of § 1622.5, a transcript, a recording, or a set of minutes shall be made.

Any such minutes shall describe all matters discussed and shall provide a summary of any actions taken and the reasons therefor, including a description of each Director's views expressed on any item and the record of each Director's vote on the question. All documents considered in connection with any action shall be identified in the minutes.

(b) A complete copy of the transcript, recording, or minutes required by paragraph (a) of this section shall be maintained at the Corporation for a Board

or committee meeting, and at the appropriate Regional Office for a council meeting, for a period of two years after the meeting, or until one year after the conclusion of any Corporation proceeding with respect to which the meeting was held, whichever occurs later.

(c) The Corporation shall make available to the public all portions of the transcript, recording, or minutes required by paragraph (a) of this section that do not contain information that may be withheld under § 1622.5. A copy of those portions of the transcript, recording, or minutes that are available to the public shall be furnished to any person upon request at the actual cost of duplication or transcription.

(d) Copies of Corporation records other than notices or records prepared under this part may be pursued in accordance with part 1602 of these regulations.

#### **§ 1622.9 Emergency procedures.**

If, in the opinion of the Chairman, the Directors are rendered incapable of conducting a meeting by the acts or conduct of any members of the public present at the meeting, the Directors may thereupon determine by a recorded vote of the majority of the number of Directors present at the meeting that the Chairman or presiding officer of the Board shall have the authority to have such members of the public who are responsible for such acts or conduct removed from the meeting.

[50 FR 30714, July 29, 1985]

1623.1 Purpose.

1623.2 Definition.

1623.3 Grounds for suspension.

1623.4 Suspension.

1623.5 Time extension and waiver.

1623.6 Interim funding.

SOURCE: 43 FR 21883, May 22, 1978, unless otherwise noted.

#### **§ 1623.1 Purpose.**

By providing procedures for prompt review that will insure informed deliberation by the Corporation when there is reason to believe that financial assistance to a recipient should be suspended, this part seeks to avoid unnecessary disruption in the delivery of legal assistance to eligible clients.

#### **§ 1623.2 Definition.**

*Suspension* means any action temporarily suspending or curtailing financial assistance to a recipient in whole or in part prior to the expiration of the recipient's current grant from or contract with the Corporation.

#### **§ 1623.3 Grounds for suspension.**

Financial assistance provided to a recipient may be suspended when:

(a) There has been substantial failure by a recipient to comply with a provision of law, or a rule, regulation, or guideline issued by the Corporation, or a term or condition of the recipient's current grant from or contract with the Corporation; or

(b) There has been substantial failure by a recipient to provide high quality, economical, and effective legal assistance, as measured by generally accepted professional standards, the provisions of the Act, or a rule, regulation, or guideline issued by the Corporation.

(c) In the absence of unusual circumstances, suspension shall not take place unless the Corporation has given the recipient notice of its failure and an opportunity to take effective corrective action.

**§ 1623.4 Suspension.**

(a) When there is reason to believe that financial assistance to a recipient should be suspended, the Corporation shall serve a written preliminary determination on the recipient stating the grounds and effective date for the proposed suspension, and identifying, with reasonable specificity, any facts or documents relied upon as justification for the suspension. The preliminary determination shall also specify any corrective action that the recipient must take to avoid or end the suspension.

(b) The preliminary determination shall also advise the recipient that it may, within 5 days of receipt of the preliminary determination, request an informal meeting with the Corporation at which it may attempt to show that the proposed suspension should not become effective. The Corporation shall designate the place for such a meeting and shall set the time at least 5 days after the recipient's request is received. The preliminary determination shall also advise the recipient that, within 10 days of its receipt of the preliminary determination and without regard to whether it requested an informal meeting, it may submit written materials in opposition to the proposed suspension.

(c) The Corporation shall consider any written materials submitted by the recipient in opposition to the proposed suspension and any oral presentation or written materials submitted by the recipient at the informal meeting, if one is requested. If after considering these materials the Corporation concludes that the recipient has failed to show that the suspension should not become effective, it may suspend financial assistance to the recipient in whole or in part and under such terms and conditions as it deems proper.

(d) Written notice of the suspension shall be promptly transmitted to the recipient, and the suspension shall become effective when the notice is received by the recipient or on such later date as is specified in the notice.

(e) The Corporation employee ordering suspension may at any time rescind or modify the terms of the suspension and, on written notice to the recipient, reinstate the suspension without further proceedings under this part. In no

event shall the total time of suspension exceed 30 days, unless the Corporation and the recipient agree to a continuation of the suspension for an additional period of time and without further proceedings under this part.

**§ 1623.5 Time extension and waiver.**

(a) Any period of time provided in this part, except the total time for suspension, may, upon good cause shown and determined, be extended by the person issuing the preliminary determination under § 1623.4 or by the President.

(b) Requests for extensions of time shall be considered in light of the overall objective that the procedures prescribed by this part ordinarily shall be concluded within 30 days of the preliminary determination.

(c) Any other provision of this part may be waived or modified by agreement of the recipient and the Corporation, or by the President upon good cause shown and determined.

**§ 1623.6 Interim funding.**

Failure by the Corporation to meet a time requirement of this part shall not entitle a recipient to continued funding. Pending the completion of suspension proceedings under this part, the Corporation shall provide the recipient with interim funding necessary to maintain its current level and legal assistance activities under the Act.

## § 1624.4

programs supported in whole or in part by Legal Services Corporation funds in removing any impediments that may exist to the provision of legal assistance to handicapped persons eligible for such assistance in accordance with section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. section 794 and with sections 1007(a) (1) and (3) of the Legal Services Corporation Act, as amended, 42 U.S.C. sections 2996f(a) (1) and (3), with respect to the provision of services to and employment of handicapped persons.

### § 1624.2 Application.

This part applies to each legal services program receiving financial assistance from the Legal Services Corporation.

### § 1624.3 Definitions.

As used in this part, the term:

(a) *Legal services program* means any recipient, as defined by §1600.1 of these regulations, or any other public or private agency, institution, organization, or other entity, or any person to which or to whom financial assistance is extended by the Legal Services Corporation directly or through another agency, institution, organization, entity or person, including any successor, assignee, or transferee of a legal services program, but does not include the ultimate beneficiary of legal assistance;

(b) *Facility* means all or any portion of buildings, structures, equipment, roads, walks, parking lots, or other real or personal property or interest in such property;

(c)(1) *Handicapped person* means any person who: (i) Has a physical or mental impairment which substantially limits one or more major life activities, (ii) has a record of such an impairment, or (iii) is regarded as having such an impairment;

(2) As used in paragraph (a)(1) of this section the phrase:

(i) *Physical or mental impairment* means: (A) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or (B) any mental or psycho-

logical disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities; The phrase includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and drug addiction and alcoholism;

(ii) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working;

(iii) *Has a record of such impairment* means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities;

(iv) *Is regarded as having an impairment* means: (A) Has a physical or mental impairment that does not substantially limit major life activities but is treated by a legal services program as constituting such a limitation; (B) has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairments; or (C) has none of the impairments defined in paragraph (c)(2)(i) of this section but is treated by a legal services program as having such an impairment;

(d) *Qualified handicapped person* means: (1) With respect to employment, a handicapped person who, with reasonable accommodation, can perform the essential functions of the job in question; (2) with respect to other services, a handicapped person who meets the eligibility requirements for the receipt of such services from the legal services program.

### § 1624.4 Discrimination prohibited.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination by any legal services program, directly or through any contractual or another arrangement.

(b) A legal services program may not deny a qualified handicapped person

the opportunity to participate in any of its programs or activities or to receive any of its services provided at a facility on the ground that the program operates a separate or different program, activity or facility that is specifically designed to serve handicapped persons.

(c) In determining the geographic site or location of a facility, a legal services program may not make selections that have the purpose or effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity of the legal services program.

(d)(1) A legal services program that employs a total of fifteen or more persons, regardless of whether such persons are employed at one or more locations, shall provide, when necessary, appropriate auxiliary aids to persons with impaired sensory, manual or speaking skills, in order to afford such persons an equal opportunity to benefit from the legal services program's services. A legal services program is not required to maintain such aids at all times, provided they can be obtained on reasonable notice.

(2) The Corporation may require legal services programs with fewer than fifteen employees to provide auxiliary aids where the provision of such aids would not significantly impair the ability of the legal services program to provide its services.

(3) For the purpose of §1624.4(d) (1) and (2), auxiliary aids include, but are not limited to, brailled and taped material, interpreters, telecommunications equipment for the deaf, and other aids for persons with impaired hearing, speech or vision.

(e) A legal services program shall take reasonable steps to insure that communications with its applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

(f) A legal services program may not deny handicapped persons the opportunity to participate as members of or in the meetings or activities of any planning or advisory board or process established by or conducted by the legal services program, including but not limited to meetings and activities

conducted in response to the requirements of part 1620 of these regulations.

**§ 1624.5 Accessibility of legal services.**

(a) No qualified handicapped person shall, because a legal services program's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination by any legal services program.

(b) A legal services program shall conduct its programs and activities so that, when viewed in their entirety, they are readily accessible to and usable by handicapped persons. This paragraph does not necessarily require a legal services program to make each of its existing facilities or every part of an existing facility accessible to and usable by handicapped persons, or require a legal services program to make structural changes in existing facilities when other methods are effective in achieving compliance. In choosing among available methods for meeting the requirements of this paragraph, a legal services program shall give priority to those methods that offer legal services to handicapped persons in the most integrated setting appropriate.

(c) A legal services program shall, to the maximum extent feasible, insure that new facilities that it rents or purchases are accessible to handicapped persons. Prior to entering into any lease or contract for the purchase of a building, a legal services program shall submit a statement to the appropriate Regional Office certifying that the facilities covered by the lease or contract will be accessible to handicapped persons, or if the facilities will not be accessible, a detailed description of the efforts the program made to obtain accessible space, the reasons why the inaccessible facility was nevertheless selected, and the specific steps that will be taken by the legal services program to insure that its services are accessible to handicapped persons who would otherwise use that facility. After a statement certifying facility accessibility has been submitted, additional statements need not be resubmitted with respect to the same facility, unless substantial changes have been

made in the facility that affect its accessibility.

(d) A legal services program shall ensure that new facilities designed or constructed for it are readily accessible to and usable by handicapped persons. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to make the altered facilities readily accessible to and usable by handicapped persons.

**§ 1624.6 Employment.**

(a) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment by any legal services program.

(b) A legal services program shall make all decisions concerning employment under any program or activity to which this part applies in a manner that insures that discrimination on the basis of handicap does not occur, and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the legal services program;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

(d) A legal services program may not participate in any contractual or other relationship with persons, agencies, organizations or other entities such as, but not limited to, employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the legal services program, and organizations providing training and apprenticeship programs, if the practices of such person, agency, organization, or other entity have the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this paragraph.

(e) A legal services program shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the accommodation would impose an undue hardship on the operation of the program.

(1) For purposes of this paragraph (e), reasonable accommodation may include (i) making facilities used by employees readily accessible to and usable by handicapped persons, and (ii) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(2) In determining whether an accommodation would impose an undue hardship on the operation of a legal services program, factors to be considered include, but are not limited to, the overall size of the legal services program with respect to number of employees, number and type of facilities, and size of budget, and the nature and costs of the accommodation needed.

(3) A legal services program may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is a need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

(f) A legal services program may not use employment tests or criteria that discriminate against handicapped persons, and shall insure that employment tests are adapted for use by persons

## § 1624.7

who have handicaps that impair sensory, manual, or speaking skills.

(g) A legal services program may not conduct a pre-employment medical examination or make a pre-employment inquiry as to whether an applicant is a handicapped person or as to the nature or severity of a handicap except under the circumstances described in 45 CFR 84.14(a) through (d)(2). The Corporation shall have access to relevant information obtained in accordance with this section to permit investigations of alleged violations of this part.

(h) A legal services program shall post in prominent places in each of its offices a notice stating that the legal services program does not discriminate on the basis of handicap.

(i) Any recruitment materials published or used by a legal services program shall include a statement that the legal services program does not discriminate on the basis of handicap.

### § 1624.7 Self-evaluation.

(a) By January 1, 1980, a legal services program shall evaluate, with the assistance of interested persons including handicapped persons or organizations representing handicapped persons, its current facilities, policies and practices and the effects thereof to determine the extent to which they may or may not comply with the requirements of this part and the cost of structural or other changes that would be necessary to make each of its facilities accessible to handicapped persons.

(b) The results of the self-evaluation, including steps the legal services program plans to take to correct any deficiencies revealed and the timetable for completing such steps, shall be made available for review by the Corporation and interested members of the public.

### § 1624.8 Enforcement.

The procedures described in part 1618 of these regulations shall apply to any alleged violation of this part by a legal services program.

### § 1625.1 Purpose.

This part is intended to provide timely, full, fair, and impartial procedures for allowing a recipient to show cause why its funding should be continued when the Corporation has made a preliminary determination that an application for refunding of a grant or contract should be denied. This part is further intended to provide for completion of these procedures in a timely manner so that funding issues are expeditiously resolved so as to avoid unnecessary and protracted disruption in the delivery of legal services to eligible clients.

### § 1625.2 Definitions.

*Denial of refunding* means a decision that, after the expiration of a grant or contract, a recipient:

(a) Will not be provided financial assistance; or

(b) Will have its annual level of financial support reduced to an extent that is not required either by a change of law, or a reduction in the Corporation's appropriation that is apportioned among all recipients of the same class in proportion to their current level of funding, or by the uniform application of a statistical formula for the reallocation of funding among the members of the same class, and is more than 10 percent below the recipient's annual level of financial assistance under its current grant or contract.

**§ 1625.3 Grounds for denial of refunding.**

Refunding may be denied when:

(a) Denial is required by, or will implement, a provision of law, a Corporation rule, regulation, guideline, or instruction that is generally applicable to all recipients of the same class, or a funding policy, standard, or criterion approved by the Board; or

(b) There has been significant failure by a recipient to comply with a provision of law, or a rule, regulation, guideline, or instruction issued by the Corporation, or a term or condition of a current or prior grant from or contract with the Corporation; provided, however, that a recipient's failure to comply with any of the requirements in this paragraph at a time when the requirement was not in effect or at a time more than 6 years prior to the date the recipient receives notice of the failure pursuant to § 1625.4 shall not be a basis for denial of refunding; or

(c) There has been significant failure by a recipient to use its resources to provide economical and effective legal assistance of highly quality as measured by generally accepted professional standards, the provisions of the act, or a rule, regulation, or guideline issued by the Corporation. If the recipient could not reasonably be expected to have prevented or corrected its failure without notice from the Corporation and an opportunity to have taken effective corrective action, refunding shall not be denied for this cause unless the Corporation has given the recipient such notice and opportunity; or

(d) The Corporation finds that another organization, whether a current recipient or not, could better serve eligible clients in the recipient's service area.

**§ 1625.4 Notice.**

When there is reason to believe that refunding should be denied, the Corporation shall serve a written notice upon the recipient, and the Chairperson of its governing board, which shall include:

(a)(1) A short and plain statement, in numbered paragraphs, the contents of each of which shall be limited as far as practicable to a single set of cir-

cumstances, of the factual grounds for the denial of refunding;

(2) If the ground specified in § 1625.3(d) is asserted, the statement shall identify the other organization and specify the basis for the Corporation's assertion that it could better and more economically serve eligible clients;

(b) An affidavit or affidavits covering the direct testimony of each witness upon whom Corporation's counsel relies; such affidavit(s) shall be made on personal knowledge, shall set forth such facts as would be admissible in evidence, and shall show affirmatively that the affiant is competent to testify to the matters stated therein; sworn or certified copies of all papers or parts thereof referred to in an affidavit shall be appended thereto; depositions, if available, shall be included;

(c) A memorandum of points of law and authorities showing with particularity:

(1) That the affidavit(s), paper(s), and deposition testimony specified in paragraph (b) of this section constitute evidence of such discrete factual allegations as were identified in paragraph (a)(1) of this section and as are sufficient under applicable law to support denial of refunding;

(2) The legal standards, rulings, statutes, regulations, or decisional law upon which the Corporation relies in advancing its theories or arguments in support of denial of refunding with particularized reference and adequate citation to competent authority; and

(3) As proximately as reasonably possible, the logical nexus and points of reference among (i) affidavit(s), paper(s), and deposition testimony specified in paragraph (b) of this section,

(ii) The factual grounds as identified in enumerated paragraphs specified by paragraph (a)(1) of this section, and

(iii) The legal theories or arguments advanced by the Corporation to justify denial of refunding.

(d) A directive to show cause, signed by an official of the Corporation other than the President, which shall inform the recipient that, if within 30 days of the recipient's receipt of this notice the Corporation receives a request for a hearing as specified in § 1625.5 of this

part and accompanied or preceded by all documents specified by paragraph (f) of this section, a hearing will be held; the directive shall identify;

(1) The name, business address, telephone number, and brief summary of professional qualifications of the hearing examiner and a statement that the examiner supports the purposes of the Act;

(2) The name, address, and phone number of the Corporation's counsel;

(3) The time and place of the pre-hearing conference and the last date upon which it may be held, which date shall be no more than 37 days after the date of the notice; and

(4) The time and place of the hearing and the last date on which it can start, which date shall be no more than 44 days after the date of the notice;

(e) A copy of these procedures as contained in Part 1625.

(f) A requirement, signed by an official of the Corporation other than the President, may be included that the recipient produce a specific document or documents in its possession, custody, or control no later than the time the recipient requests a hearing or produce a person in its employ to testify in a pre-hearing deposition at a date (subsequent to the recipient's request for a hearing), place, and time to be specified in the requirement or to be available to testify at the show cause hearing; provided, however, that the recipient may serve a motion within 10 days of its receipt of the notice, for the hearing examiner to limit or quash the requirement; the hearing examiner shall rule on such motion within 7 days; if an objection to the hearing examiner, filed pursuant to § 1625.6(b) has delayed such ruling, the hearing examiner shall promptly rule when the objection is resolved.

**§ 1625.5 Request for hearing.**

Within 30 days of receipt of the notice, the recipient shall serve upon the Corporation a request for a hearing, which must include:

(a) A short and plain statement in numbered paragraphs, that is either an admission or a denial of each of the numbered paragraphs in the notice; any averment in the notice which is

not specifically denied is deemed admitted;

(b) A short and plain statement, in numbered paragraphs, the contents of each of which shall be limited as far as practicable to a single set of circumstances, of all factual grounds on which the recipient will rely to show cause why refunding should not be denied;

(c) An affidavit or affidavits covering the direct testimony of each witness upon whom recipient's counsel relies and appending all exhibits to such testimony; such affidavit(s) shall be made on personal knowledge, shall set forth such facts as would be admissible in evidence, and shall show affirmatively that the affiant is competent to testify to the matters stated therein; sworn or certified copies of all papers or parts thereof referred to in an affidavit shall be appended thereto; depositions, if available, shall be included; the recipient, must set forth by affidavit, sworn or certified copies of papers, and depositions, specific facts showing that there is a genuine issue of material fact for a show cause hearing;

(d) A memorandum of points and authorities showing that the Corporation has failed to provide affidavits or other evidence sufficient to deny refunding or that the affidavit(s) specified in paragraph (c) of this section constitute evidence of facts necessary to show cause why refunding should not be denied under applicable legal standards.

(e) The recipient may serve a request on the hearing examiner that the Corporation be required, upon sufficient notice, to produce a specific document or documents in the possession, custody, or control of the Corporation or of another organization identified under § 1625.4(a)(2) or produce a person in its employ (or that of such other organization) to testify in a pre-hearing deposition at a date, place, and time to be specified in the requirement or to be available to testify at the show cause hearing.

**§ 1625.6 Hearing examiner.**

(a) The hearing examiner shall be appointed by the President, and shall be a person who is familiar with legal services and supportive of the purposes of the Act, who is independent, and

who is not an employee of the Corporation.

(b) Within 5 days of receipt of notice of the name of the hearing examiner, the recipient may file a written notice that it objects to the hearing examiner on the basis that this person does not fit the criteria of paragraph (a) of this section or has made statements or taken actions indicating personal bias against the recipient. The recipient will be granted a 5-day extension for presenting the basis of its objection if it files a timely notice of objection and a statement as to why it is unable with due diligence to present the basis of its objection without the extension.

(c) The President shall consider the recipient's objection(s) with any supporting documentation and, within 10 days thereafter, issue a written notice of a decision either to retain or replace the hearing examiner.

(d) No objection to the appointment of a hearing examiner may be made unless presented in the manner specified in this section.

#### **§ 1625.7 Pre-hearing procedures.**

(a)(1) On or before the date it requests a hearing, the recipient may serve a motion for an interim decision that the notice fails to state an adequate basis for the denial of its application for refunding. The hearing examiner shall rule on such motion within 7 days and shall grant the motion if he or she finds that the facts sworn to in the notice do not provide an adequate basis to deny the application for refunding.

(2) If the recipient fails to make a request for hearing in such a timely fashion that it is received by the Corporation within 30 days of receipt of the notice by the recipient, the recipient shall be deemed to have waived its right to a hearing and a final decision shall be entered by the President.

(3) If the recipient makes timely request for a hearing, the hearing examiner may, *sua sponte* or on the motion of a party, review the notice, the request for a hearing, and all documents submitted by the recipient pursuant to requirement(s) issued pursuant to § 1625.4(f) to determine before the date set for the hearing whether there is any genuine issue as to any material

fact and whether a party is entitled to summary judgment or partial summary judgment as a matter of law. If, considering the papers in the light most favorable to the opposing party, the hearing examiner finds that the parties' submissions, admissions on file, affidavits, and any other matter on the record show that there is no genuine issues as to any material fact and that either party is entitled to summary judgment as a matter of law, the hearing examiner shall issue to the President a written initial decision pursuant to § 1625.10(b). If such a decision with a partial summary judgment should become final pursuant to § 1625.11, the hearing examiner may exclude further evidence relevant only to an issue or issues resolved by such decision.

(b) If the recipient makes a timely request for a hearing, a pre-hearing conference shall be held within 7 days. At least 24 hours prior to the pre-hearing conference, each party shall cause to be delivered in person to the hearing examiner and counsel for the opposing party a list including all its affiants it intends to call for direct testimony, all the other party's affiants it will require the party to produce for cross-examination, and all other persons who are to testify on direct or cross-examination. For each person on its list, the party will indicate whether the person will be called for direct testimony or for cross-examination and whether the party will require the opposing party to produce the witness (and, if so, the basis). At the pre-hearing conference, the matters to be considered shall include:

(1) Whether summary judgment or partial summary judgment ought to be issued;

(2) Proposals to define and narrow the issues;

(3) Efforts to stipulate the facts, in whole or in part;

(4) The order of presentation of exhibits and witnesses, along with their number and identity;

(5) The possibility of presenting the case on written submission or oral argument;

(6) Any necessary variation in the date, time, and place of the hearing;

(7) The possibility of settlement; and

(8) Such other matters as may be appropriate.

(c) (1) The hearing examiner may establish specific procedures consistent with this part for conduct of the show cause hearing.

(2) The hearing examiner may require or permit written submission of additional statements discussing any matter described in paragraph (b) of this section as well as any other arguments and supporting material at any time prior to completion of the show cause hearing.

(3) The hearing examiner may issue appropriate protective orders to prohibit the parties from disseminating evidence to other than specifically named individuals or such other restrictions as may be necessary to protect client confidences.

(4) The hearing examiner may not consider any issue not necessary for a determination of whether the recipient's refunding application will be denied.

(5) The only two parties to the proceeding will be the Corporation and the recipient; provided, however, that a state support center which is a subgrantee or a subrecipient as of the time of the effective date of this regulation may be joined as a party by the hearing examiner but only during the remaining term of such existing subgrant or other agreement.

(6) The hearing examiner shall require each party to make arrangements for the testimony and cross-examination of the witnesses and affiants it will rely upon and bear the expenses associated with the testimony.

(d)(1) The hearing examiner may, at any time prior to the completion of the hearing, require either party, upon sufficient notice, to produce a relevant document in its possession, custody or control; the hearing examiner may require either party to produce a person in its employ to testify at the hearing.

(2) The hearing examiner shall not issue such requirements at the request of the Corporation's counsel if request is not made within seven days of the Corporation's receipt of the request for a hearing, or at the request of the recipient, if request is not made at or before the time it makes a request for a hearing, unless the requesting party

can show that it could not have anticipated its need to request the requirement and failure to issue the requirement would cause a manifest injustice.

(3) In proceedings under §1625.3(d), the hearing examiner may likewise require the Corporation to produce a document in the possession, custody or control of another organization identified pursuant to §1625.4(a)(2) or a person in the employ of such other organization, subject to the sanctions set forth in §1625.8(f).

(4) The hearing examiner shall rule on motions respecting requirements for the production of documents or witnesses within 7 days.

#### **§ 1625.8 Conduct of the hearing.**

(a) The show cause hearing shall be held within 7 days after the pre-hearing conference in or near a city having an airport with regularly scheduled airline service and convenient to the Corporation, to the recipient, the community it serves, and to witnesses determined by the hearing examiner to be necessary for the show cause hearing.

(b) The hearing examiner shall preside over the show cause hearing, avoid delay, maintain order, conduct a full and fair show cause hearing, and insure that an adequate record of the facts and issues is made.

(c) The show cause hearing shall be open to the public, unless, in the interests of justice or maintaining order, the hearing examiner shall determine otherwise.

(d) (1) Since each party will have presented the direct testimony of its witnesses by their affidavits, the show cause hearing will be limited, except as hereinafter provided, to cross-examination of the other party's affiants, examination of those employee(s) of the other party from whom the party was unable, despite due diligence, to obtain affidavit(s) or pre-hearing deposition(s), and rebuttal testimony (if allowed).

(2) The recipient will proceed first and will be allowed a total of up to 7 days to cross-examine the Corporation's affiant(s) or to present testimony from the Corporation's or the other organization's employee(s).

(3) The Corporation will then be allowed a total of up to 7 days to cross-

examine the recipient's affiant(s), to present testimony from the recipient's employee(s), or to adduce rebuttal testimony.

(4) The recipient will then be allowed a total of up to one day of sur-rebuttal testimony.

(5) During the time allotted to a party, it may present its affiant(s) for direct testimony limited to the scope of the respective affidavits(s) and for cross-examination by the opposing party at that time.

(6) The hearing examiner will allow a total of up to one day divided evenly between the parties for closing arguments.

(e)(1) If either party fails, without good cause, to produce a person or document required to be produced under §§ 1625.4(f), 1625.5(e), or 1625.7(d), the hearing examiner may make a finding adverse to the party or any lesser determination.

(2) If a document is withheld on the basis of privilege, the hearing examiner may require the party to provide a version of the document that does not contain privileged information, explain the basis of the withholding, and, if it appears that the privilege is not asserted in good faith or is asserted in error, require production of the document for *in camera* inspection. After such inspection, the hearing examiner may issue such finding or order as the facts may warrant. The hearing examiner shall not disclose to the President of the Corporation information on which a claim of privilege or confidentiality is made.

(3) A recipient may neither introduce into the record nor rely upon any statement by a witness, any document, or other evidence if the Corporation, subsequent to the effective date of this regulation, had requested the recipient to arrange for that witness to cooperate in an interview or to produce the document or other evidence prior to issuance of the notice, unless the recipient is able to show good cause for its failure to comply with the request at an earlier date than it did.

(4) No adverse inference may be made if a party fails to produce a document which is not in the party's possession, custody, or control or that of another organization that is actually con-

trolled by the party (or, for the Corporation, another organization identified under § 1625.4(a)(2)); no adverse inference may be made if a party fails to produce a witness that is not an employee of the party or of another organization that is actually controlled by the party or, for the Corporation, another organization identified under § 1625.4(a)(2).

(f) Technical rules of evidence shall not apply. The hearing examiner shall make any procedural or evidentiary ruling that may help to insure full disclosure of the facts, to maintain order, or to avoid delay. Irrelevant, immaterial, repetitious or unduly prejudicial matter may be excluded.

(g)(1) Official notice may be taken of published policies, rules, regulations, guidelines, and instructions of the Corporation, of any matter of which judicial notice may be taken in Federal court, or of any other matter whose existence, authenticity, or accuracy is not open to serious question.

(2) The validity of rules, regulations, guidelines and instructions duly published under § 1008(e) of the Act may be challenged only in a complete brief served no later than the request for a hearing; no argument which could have been included in such a brief, but was not, may be raised at a later time.

(h) The hearing will be recorded at Corporation expense. The Corporation will send one copy of the transcript to the recipient and the hearing examiner as soon as it is received.

(i) At the discretion of the hearing examiner, the recipient and the Corporation may be required or allowed to submit post-hearing briefs or proposed findings and conclusions. The recipient's brief shall be served within 5 days of the close of the hearing and the Corporation's 4 days thereafter. Either party should note any relevant transcript errors in an addendum to its post-hearing brief (or if no brief will be submitted, in a letter submitted within the time limit set for a brief; if the transcript or a part of the transcript is not received 4 or more days before the time set for its brief, errors must be noted within 4 days of receipt of the transcript or part of the transcript).

(j) The transcript and any post-hearing briefs or letters will become part of the record.

(k) The Federal Rules of Civil Procedure and the Administrative Procedure Act shall provide guidance for all actions under this part when relevant procedures or rules therein are not inconsistent with the provisions of this part or of relevant laws specifically applicable to such an action.

**§ 1625.9 Burden of persuasion.**

The recipient shall have the ultimate burden of persuasion by a preponderance of the evidence on the record that the application for refunding should not be denied. If the Corporation has asserted, as a ground for the denial of the application for refunding, the grounds specified in:

(a) Section 1625.3(a), the recipient must establish by a preponderance of the evidence on the record that it is not in a class of recipients affected by the law, the Corporation's rule, regulation, guideline, or instruction, or a funding policy, standard, or criterion approved by the Board or that the proposed action is not required by or will not implement such policy;

(b) Section 1625.3(b), the recipient must establish by a preponderance of the evidence on the record that:

(1) It has complied during the specified period of time in all respects with each specified provision of law, with each specified provision of the Corporation's rules, regulations, guidelines, and instructions, and with each specified term and condition of current or prior grants from, or contracts with, the Corporation as specified in the notice; or

(2) All of its violations are merely minor, technical or insignificant;

(c) Section 1625.3(c), the recipient must establish by a preponderance of the evidence on the record that:

(1) It has provided economical and effective legal assistance of high quality as measured by generally accepted professional standards, the provisions of the act, or a rule, regulation, or guideline issued by the Corporation; or

(2) The Corporation has not given the recipient prior notice of its failure and an opportunity to take effective corrective action and the recipient could

not reasonably be expected to have prevented or corrected its failure without notice from the Corporation and an opportunity to have taken effective corrective action before it received the notice specified in § 1625.4 of this part;

(d) Section 1625.3(d), the recipient must establish by a preponderance of the evidence on the record that it could serve eligible clients in its service area better and more economically than the other organization specified in the notice.

**§ 1625.10 Initial decision.**

(a) Within 16 days of the completion of the hearing, the hearing examiner shall cause an initial decision to be served upon the parties:

(1) Granting refunding; or

(2) Granting refunding subject to any modification or condition that may appear necessary and appropriate on the basis of information disclosed at the hearing or adduced from the record; or

(3) Denying refunding.

(b) The initial decision shall be a part of the record and shall include a statement of findings and conclusions, and the reasons or basis therefor, on all the material issues of fact, law, or discretion presented on the record.

(c) Findings of fact shall be based solely on evidence disclosed at the hearing or adduced from the record or on matters of which official notice is taken.

**§ 1625.11 Final decision.**

(a) If neither the Corporation's counsel nor the recipient requests review by the President, the initial decision shall become final 7 days after receipt by the recipient.

(b) The recipient or the Corporation's counsel may seek review by the President of the initial decision. A request shall be made in writing to the President and the other party shall be served within 7 days of receipt by the party of the initial decision, and shall state in detail the reasons for seeking review.

(c) Within 7 days after receipt of a request for review of the initial decision,

the President shall adopt, modify or reverse the initial decision, or shall direct further consideration of the matter. In the event of modification or reversal, the President's decision shall conform to the requirements of § 1625.10(b).

(d) A decision by the President shall become final upon service on the recipient.

**§ 1625.12 Time and waiver.**

(a) *Computation of time.* In computing any period of time prescribed or allowed by this part or by order of the President or the hearing examiner, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday. All periods shall otherwise include Saturdays, Sundays, and legal holidays. A deadline for a party or the hearing examiner to submit a document is met only if the document is actually received by counsel for the other party and by the hearing examiner by the end of the relevant time period.

(b) *Enlargement of time.* The President or the hearing examiner may enlarge any period of time on agreement of the parties if, and only if, the President or the hearing examiner makes a determination in writing or on the record either that:

(1) The enlargement will not prevent completion of the hearing within 60 days from receipt of the notice by the recipient or prevent the President from reaching a final decision—with at least 7 days to consider the request for review—within 90 days from receipt of notice by the recipient; or

(2) The existence of extraordinary circumstances require the enlargement of time to prevent manifest injustice.

(c) *Reduction of time.* On agreement of the parties and the hearing examiner, any period of time may be shortened.

(d) Failure by the Corporation to meet a time requirement of this part shall not entitle a recipient to refunding of its grant or contract.

(e) Any provision of the rules in this part, excepting those in § 1625.12(b), may be waived or modified:

(1) By the hearing examiner with the assent of the recipient and counsel for the Corporation; or

(2) By the President for good cause shown.

**§ 1625.13 Right to counsel.**

At a hearing under § 1625.8, the Corporation and the recipient each shall be entitled to be represented by counsel, or by an employee.

**§ 1625.14 Reimbursement.**

If refunding is granted after a notice has been issued under § 1625.4, a recipient shall be entitled to receive reimbursement from the Corporation for reasonable and actual expenses including attorney's fees up to the hourly equivalent of the rate of level V of the executive schedule specified in section 5316, of title 5, United States Code, that were required in connection with proceedings under this part, to the extent it has prevailed and where the hearing examiner finds the Corporation's position to have been substantially without merit.

**§ 1625.15 Interim funding.**

Pending a final determination under this part, the Corporation shall provide the recipient with interim funding necessary to maintain its current level of legal assistance activities for eligible clients under the Act.

**§ 1625.16 Termination funding.**

After a final decision to deny refunding, and without regard to whether a hearing has occurred, the Corporation may authorize temporary funding if necessary to enable a recipient to close or transfer current matters in a manner consistent with the professional responsibility of the recipient and the recipient's attorneys to their present clients.

#### § 1626.1 Purpose.

This part is designed to ensure that recipients provide legal assistance only to citizens of the United States and eligible aliens. It is also designed to assist recipients in determining the eligibility and immigration status of persons who seek legal assistance.

#### § 1626.2 Definitions.

(a) *Citizen* includes persons described or defined as citizens or nationals of the United States in 8 U.S.C. 1101(a)(22) and Title III of the Immigration and Nationality Act (INA), Chapter 1 (8 U.S.C. 1401 *et seq.*) (citizens by birth) and Chapter 2 (8 U.S.C. 1421 *et seq.*) (citizens by naturalization) or antecedent citizen statutes.

(b) *Eligible alien* means a person who is not a citizen but who meets the requirements of § 1626.5.

(c) *Ineligible alien* means a person who is not a citizen and who does not meet the requirements of § 1626.5.

(d) *Rejected* refers to an application for adjustment of status that has been denied by the Immigration and Naturalization Service (INS) and is not subject to further administrative appeal.

(e) To provide legal assistance *on behalf of* an ineligible alien is to render legal assistance to an eligible client which benefits an ineligible alien and does not affect a specific legal right or interest of the eligible client.

(f) *Battered or subjected to extreme cruelty* includes, but is not limited to, being the victim of any act or threatened act of violence, including any forceful detention, which results or threatens to result in physical or mental injury. Psychological or sexual

## 45 CFR Ch. XVI (10-1-98 Edition)

abuse or exploitation, including rape, molestation, incest (if the victim is a minor), or forced prostitution shall be considered acts of violence. Other abusive actions may also be acts of violence under certain circumstances, including acts that, in and of themselves, may not initially appear violent but that are a part of an overall pattern of violence.

(g) *Legal assistance directly related to the prevention of, or obtaining relief from, the battery or cruelty* means any legal assistance that will assist victims of abuse in their escape from the abusive situation, ameliorate the current effects of the abuse, or protect against future abuse.

(h) *United States*, for purposes of this part, has the same meaning given that term in 8 U.S.C. 1101(a)(38) of the INA.

[62 FR 19414, Apr. 21, 1997, as amended at 62 FR 45757, Aug. 29, 1997]

#### § 1626.3 Prohibition.

Except as provided in § 1626.4, recipients may not provide legal assistance for or on behalf of an ineligible alien. For purposes of this part, legal assistance does not include normal intake and referral services.

#### § 1626.4 Applicability.

(a) Except for § 1626.12, the requirements of this part do not apply to the use of non-LSC funds by a recipient to provide legal assistance to an alien:

(1) Who has been battered or subjected to extreme cruelty in the United States by a spouse or a parent, or by a member of the spouse's or parent's family residing in the same household as the alien and the spouse or parent consented or acquiesced to such battery or cruelty; or

(2) Whose child has been battered or subjected to extreme cruelty in the United States by a spouse or parent of the alien (without the active participation of the alien in the battery or extreme cruelty), or by a member of the spouse's or parent's family residing in the same household as the alien and the spouse or parent consented or acquiesced to such battery or cruelty, and the alien did not actively participate in such battery or cruelty; provided that the legal assistance is directly related to the prevention of, or

obtaining relief from, the battery or cruelty.

(b) Recipients are not required by § 1626.12 to maintain records regarding the immigration status of clients represented pursuant to paragraph (a) of this section.

#### **§ 1626.5 Alien status and eligibility.**

Subject to all other eligibility requirements and restrictions of the LSC Act and regulations and other applicable law, a recipient may provide legal assistance to an alien who is present in the United States and who is within one of the following categories:

(a) An alien lawfully admitted for permanent residence as an immigrant as defined by section 1101(a)(20) of the INA (8 U.S.C. 1101(a)(20));

(b) An alien who is either married to a United States citizen or is a parent or an unmarried child under the age of 21 of such a citizen and who has filed an application for adjustment of status to permanent resident under the INA, and such application has not been rejected;

(c) An alien who is lawfully present in the United States pursuant to an admission under section 207 of the INA (8 U.S.C. 1157) (relating to refugee admissions) or who has been granted asylum by the Attorney General under section 208 of the INA (8 U.S.C. 1158).

(d) An alien who is lawfully present in the United States as a result of being granted conditional entry pursuant to section 203(a)(7) of the INA (8 U.S.C. 1153(a)(7)), as in effect on March 31, 1980) before April 1, 1980, because of persecution or fear of persecution on account of race, religion, or political opinion or because of being uprooted by catastrophic natural calamity;

(e) An alien who is lawfully present in the United States as a result of the Attorney General's withholding of deportation pursuant to section 243(h) of the INA (8 U.S.C. 1253(h)); or

(f) An alien who meets the requirements of § 1626.10 or 1626.11.

#### **§ 1626.6 Verification of citizenship.**

(a) A recipient shall require all applicants for legal assistance who claim to be citizens to attest in writing in a standard form provided by the Corporation that they are citizens, unless the

only service provided for a citizen is brief advice and consultation by telephone which does not include continuous representation.

(b) When a recipient has reason to doubt that an applicant is a citizen, the recipient shall require verification of citizenship. A recipient shall not consider factors such as a person's accent, limited English-speaking ability, appearance, race or national origin as a reason to doubt that the person is a citizen.

(1) If verification is required, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct and authentic of any of the following documents as evidence of citizenship:

(i) United States passport;

(ii) Birth certificate;

(iii) Naturalization certificate;

(iv) United States Citizenship Identification Card (INS Form I-197 or I-197); or

(v) Baptismal certificate showing place of birth within the United States and date of baptism within two months after birth.

(2) A recipient may also accept any other authoritative document such as a document issued by INS, by a court or by another governmental agency, that provides evidence of citizenship.

(3) If a person is unable to produce any of the above documents, the person may submit a notarized statement signed by a third party, who shall not be an employee of the recipient and who can produce proof of that party's own United States citizenship, that the person seeking legal assistance is a United States citizen.

#### **§ 1626.7 Verification of eligible alien status.**

(a) An alien seeking representation shall submit appropriate documents to verify eligibility, unless the only service provided for an eligible alien is brief advice and consultation by telephone which does not include continuous representation of a client.

(1) As proof of eligibility, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct and authentic, of any of the documents found in the appendix to this part.

(2) A recipient may also accept any other authoritative document issued by the INS, by a court or by another governmental agency, that provides evidence of alien status.

(b) A recipient shall upon request furnish each person seeking legal assistance with a list of the documents in the appendix to this part.

**§ 1626.8 Emergencies.**

In an emergency, legal services may be provided prior to compliance with §§ 1626.6 and § 1626.7 if:

(a) An applicant cannot feasibly come to the recipient's office or otherwise transmit written documentation to the recipient before commencement of the representation required by the emergency, and the applicant provides oral information to establish eligibility which the recipient records, and the applicant submits the necessary documentation as soon as possible; or

(b) An applicant is able to come to the recipient's office but cannot produce the required documentation before commencement of the representation, and the applicant signs a statement of eligibility and submits the necessary documentation as soon as possible; and

(c) The recipient informs clients accepted under paragraph (a) or (b) of this section that only limited emergency legal assistance may be provided without satisfactory documentation and that, if the client fails to produce timely and satisfactory written documentation, the recipient will be required to discontinue representation consistent with the recipient's professional responsibilities.

**§ 1626.9 Change in circumstances.**

If, to the knowledge of the recipient, a client who was an eligible alien becomes ineligible through a change in circumstances, continued representation is prohibited by this part and a recipient must discontinue representation consistent with applicable rules of professional responsibility.

**§ 1626.10 Special eligibility questions.**

(a) This part is not applicable to recipients providing services in the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Fed-

erated States of Micronesia, or the Republic of the Marshall Islands.

(b) All Canadian-born American Indians at least 50% Indian by blood are eligible to receive legal assistance provided they are otherwise eligible under the Act.

(c) Members of the Texas Band of Kickapoo are eligible to receive legal assistance provided they are otherwise eligible under the Act.

(d) An alien who qualified as a special agricultural worker and whose status is adjusted to that of temporary resident alien under the provisions of the Immigration Reform and Control Act ("IRCA") is considered a permanent resident alien for all purposes except immigration under the provisions of section 302 of 100 Stat. 3422, 8 U.S.C. 1160(g). Since the status of these aliens is that of permanent resident alien under section 1101(a)(20) of Title 8, these workers may be provided legal assistance. These workers are ineligible for legal assistance in order to obtain the adjustment of status of temporary resident under IRCA, but are eligible for legal assistance after the application for adjustment of status to that of temporary resident has been filed, and the application has not been rejected.

(e) A recipient may provide legal assistance to indigent foreign nationals who seek assistance pursuant to the Hague Convention on the Civil Aspects of International Child abduction and the Federal implementing statute, the International Child Abduction Remedies Act, 42 U.S.C. 11607(b), provided that they are otherwise financially eligible.

**§ 1626.11 H-2 agricultural workers.**

(a) Nonimmigrant agricultural workers admitted under the provisions of 8 U.S.C. 1101(a)(15)(h)(ii), commonly called H-2 workers, may be provided legal assistance regarding the matters specified in paragraph (b) of this section.

(b) The following matters which arise under the provisions of the worker's specific employment contract may be the subject of legal assistance by an LSC-funded program:

Pt. 1626, App.

- (1) Wages;
- (2) Housing;
- (3) Transportation; and
- (4) Other employment rights as provided in the worker's specific contract under which the nonimmigrant worker was admitted.

**§ 1626.12 Recipient policies, procedures and recordkeeping.**

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part.

SOURCE: 48 FR 54209, Nov. 30, 1983, unless otherwise noted.

**§ 1627.1 Purpose.**

In order to promote accountability for Corporation funds and the observance of the provisions of the Legal Services Corporation Act and the Corporation's regulations adopted pursuant thereto, it is necessary to set out the rules under which Corporation funds may be transferred by recipients to other organizations (including other recipients).

**§ 1627.2 Definitions.**

(a) *Recipient* as used in this part means any recipient as defined in section 1002(6) of the Act *and* any grantee or contractor receiving funds from the Corporation under section 1006(a)(1)(B) or 1006(a)(3) of the Act.

(b)(1) *Subrecipient* shall mean any entity that accepts Corporation funds from a recipient under a grant contract, or agreement to conduct certain activities specified by or supported by the recipient related to the recipient's programmatic activities. Such activities would normally include those that might otherwise be expected to be conducted directly by the recipient itself, such as representation of eligible clients, or which provide direct support to a recipient's legal assistance activities or such activities as client involvement, training or state support activities. Such activities would not normally include those that are covered by a fee-for-service arrangement, such as those provided by a private law firm or attorney representing a recipient's clients on a contract or judicare basis, except that any such arrangement involving more than \$25,000 shall be included. Subrecipient activities would normally also not include the provision of goods or services by vendors or consultants in the normal course of business if such goods or services would not

be expected to be provided directly by the recipient itself, such as auditing or business machine purchase and/or maintenance. A single entity could be a subrecipient with respect to some activities it conducts for a recipient while not being a subrecipient with respect to other activities it conducts for a recipient.

(2) *Subgrant* shall mean any transfer of Corporation funds from a recipient which qualifies the organization receiving such funds as a subrecipient under the definition set forth in paragraph (b)(1) of this section.

(c) *Membership fees or dues* as used in this part means payments to an organization on behalf of a program or individual to be a member thereof, or to acquire voting or participatory rights therein.

[48 FR 54209, Nov. 30, 1983, as amended at 61 FR 45754, Aug. 29, 1996; 62 FR 19418, Apr. 21, 1997]

#### **§ 1627.3 Requirements for all subgrants.**

(a)(1) All subgrants must be submitted in writing to the Corporation for prior, written approval. The submission shall include the terms and conditions of the subgrant and the amount of funds intended to be transferred.

(2) The Corporation shall have 45 days to approve, disapprove, or suggest modifications to the subgrant. A subgrant which is disapproved or to which modifications are suggested may be resubmitted for approval. Should the Corporation fail to take action within 45 days, the recipient shall notify the Corporation of this failure and, unless the Corporation responds within 7 days of the receipt of such notification, the subgrant shall be deemed to have been approved.

(3) Any subgrant not approved according to the procedures of paragraph (a)(2) of this section shall be subject to audit disallowance and recovery of all the funds expended pursuant thereto.

(4) Any subgrant which is a continuation of a previous subgrant and which expires before March 1, 1984 may be extended until March 1, 1984, if a new subgrant agreement is submitted for approval to the Corporation by January 15, 1984. In the event the Corporation refuses to allow the renewal of any

such submitted agreement, the recipient shall be permitted to allow the subrecipient 60 days' funding to close out the subgrant activities.

(b)(1) A subgrant may not be for a period longer than one year, and all funds remaining at the end of the grant period shall be considered part of the recipient's fund balance.

(2) All subgrants shall contain a provision providing for their orderly termination in the event that the recipient's funding is terminated or the recipient is not refunded and for suspension of activities if the recipient's funding is suspended.

(3) A substantial change in the work program of a subgrant or an increase or decrease in funding of more than 10% shall require Corporation approval pursuant to the provisions of section 1627.3(a). Minor changes of work program or changes in funding of less than 10% shall not require prior Corporation approval, but the Corporation shall be informed in writing thereof.

(c) Recipients shall be responsible for ensuring that subrecipients comply with the financial and audit provisions of the Corporation. The recipient is responsible for ensuring the proper expenditure, accounting for, and audit of delegated funds. Any funds delegated by a recipient to a subrecipient shall be subject to the audit and financial requirements of the Audit and Accounting Guide for Recipients and Auditors. The delegated funds may be separately disclosed and accounted for, and reported upon in the audited financial statements of a recipient; or such funds may be included in a separate audit report of the subrecipient. The relationship between the recipient and subrecipient will determine the proper method of financial reporting in accordance with generally accepted accounting principles. A subgrant agreement may provide for alternative means of assuring the propriety of subrecipient expenditures, especially in instances where a large organization receives a small subgrant. If such an alternate means is approved by the Audit Division of the Corporation, the information provided thereby shall satisfy the recipient's annual audit requirement with regard to the subgrant funds.

## Legal Services Corporation

## § 1628.1

(d) The recipient shall be responsible for repaying the Corporation for any disallowed expenditures by a subrecipient, irrespective of whether the recipient is able to recover such expenditures from the subrecipient.

(e) To assure subrecipient compliance with the Act, Congressional restrictions having the force of law, Corporation Regulations (45 CFR chapter XVI), and Corporation Guidelines or Instructions, contracts between a recipient and a subrecipient shall provide for the same oversight rights for the Corporation with respect to subrecipients as apply to recipients.

[48 FR 54209, Nov. 30, 1983, as amended at 49 FR 1703, Jan. 13, 1984]

### § 1627.4 Membership fees or dues.

(a) LSC funds may not be used to pay membership fees or dues to any private or nonprofit organization, whether on behalf of a recipient or an individual.

(b) Paragraph (a) of this section does not apply to the payment of membership fees or dues mandated by a governmental organization to engage in a profession, or to the payment of membership fees or dues from non-LSC funds.

[62 FR 19418, Apr. 21, 1997]

### § 1627.5 Contributions.

Any contributions or gifts of Corporation funds to another organization or to an individual are prohibited.

### § 1627.6 Transfers to other recipients.

(a) The requirements of § 1627.3 shall apply to all subgrants by one recipient to another recipient.

(b) The subrecipient shall audit any funds subgranted to it in its annual audit and supply a copy of this audit to the recipient. The recipient shall either submit the relevant part of this audit with its next annual audit or, if an audit has been recently submitted, submit it as an addendum to that recently submitted audit.

(c) In addition to the provisions of § 1627.3(d), the Corporation may hold the subrecipient directly responsible for any disallowed expenditures of subgrant funds. Thus, the Corporation may recover all of the disallowed costs from either recipient or subrecipient or

may divide the recovery between the two; the Corporation's total recovery may not exceed the amount of expenditures disallowed.

(d) Funds received by a recipient from other recipients in the form of fees and dues shall be accounted for and included in the annual audit of the recipient receiving these funds as Corporation funds.

### § 1627.7 Tax sheltered annuities, retirement accounts and pensions.

No provision contained in this part shall be construed to affect any payment by a recipient on behalf of its employees for the purpose of contributing to or funding a tax sheltered annuity, retirement account, or pension fund.

[62 FR 19418, Apr. 21, 1997]

### § 1627.8 Recipient policies, procedures and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part.

## PART 1628—RECIPIENT FUND BALANCES

### Sec.

- 1628.1 Purpose.
- 1628.2 Definitions.
- 1628.3 Policy.
- 1628.4 Procedure.
- 1628.5 Fund balance deficits.

AUTHORITY: Secs. 1006(b)(1)(A), 1007(a)(3); 42 U.S.C. 2996e(b)(1)(A), 42 U.S.C. 2996f(a)(3).

SOURCE: 49 FR 21332, May 21, 1984, unless otherwise noted.

### § 1628.1 Purpose.

(a) This part is designed to ensure the timely allocation of Legal Services Corporation (LSC) funds for the effective and economical provision of high quality legal assistance to eligible clients. To that end, recipients will be permitted to maintain and re-program from year to year fund balances of no more than 10% of their annualized LSC support.

(b) A waiver of this policy up to a maximum of 25% of the recipient's

annualized grant amount may be obtained under certain conditions as described in § 1628.3(d). Funds carried over in excess of 10% or above the level permitted by a specific waiver will be recovered as set forth in section 1628.3(a).

**§ 1628.2 Definitions.**

(a) LSC *support* for the reporting period shall be defined as the sum of: (1) The annualized LSC grant award(s);

(2) Any additional income derived from an LSC grant (interest, rents, etc.); and

(3) That proportion of any reimbursement or recovery of direct payment to attorneys, proceeds from the sale of assets, or other compensation or income attributable to any Corporation grant.

(b) The LSC *fund balance amount* shall be determined solely by reference to the recipient's annual audit. (The fund balance reported in the recipient's annual audit is subject to review and approval by the Corporation's Audit Division. Noncompliance with provisions of the Corporation's *Audit and Accounting Guide for Recipients and Auditors* may result in an increase or decrease in the fund balance as reported in the audit.)

(c) The *fund balance percentage* shall be determined by expressing the fund balance amount as a percentage of the recipient's LSC support for the reporting period.

(d) *Recipient* as used in this part, means any recipient as defined in section 1002(6) of the LSC Act and any grantee or contractor receiving funds from the Corporation under section 1006(a)(1) or 1006(a)(3) of the Act.

**§ 1628.3 Policy.**

(a) In the absence of a waiver from the Director, Office of Field Services, any fund balance amount in excess of 10% of LSC support shall be repaid to the Corporation in a lump sum or by pro rata deductions from the recipient's grant checks for a specific number of months. The Office of Field Services shall determine which of the specified methods of repayment is reasonable and appropriate in each case after consultation with the recipient.

(b) After the Corporation's receipt and review of the recipient's annual audit, the Corporation shall provide

written notice to the recipient of the fund balance amount due and payable to the Corporation as well as the method for repayment 30 days prior to the effective date for repayment either to occur or to commence in accordance with § 1628.3(a).

(c) In no way shall any such reduction and/or deduction in LSC support be construed to affect permanently the annualized funding level of the recipient, nor shall any such reduction and/or deduction in LSC support be considered to be a termination or denial of refunding under 45 CFR 1606 and 1625 respectively.

(d) A waiver of the 10% ceiling may be granted at the discretion of the Corporation in extraordinary circumstances; such a waiver may be granted by the Corporation to extend the ceiling for fund balance amounts established under this regulation to a maximum of 25% of LSC support. Further, in addition to the established 10% ceiling, the Corporation shall grant a waiver up to 25% of direct payment to attorneys in the last audit to recipients who operate compensated private bar programs or components to be utilized exclusively to fund a cash reserve or encumbrance system for direct payment to attorneys. Such recipients must submit a timely written request to the Office of Field Services to obtain this waiver. However, under no circumstances will a recipient be allowed to retain a fund balance in excess of 25% of support.

(e) All one-time or special purpose grants awarded by the Corporation shall have an effective date and termination date. Such grants are not subject to this fund balance policy. Revenue and expenses relating to such grants must be reflected separately in the audit report submitted to the Corporation. This may be done by establishing a separate fund or by providing a separate supplemental schedule of revenue and expenses related to such grants as a part of the audit report. No funds provided under a one-time or special purpose grant may be expended subsequent to the termination date of the grant without the prior written approval of the Corporation. All unexpended funds under such grants shall be returned to the Corporation.

**§ 1628.4 Procedure.**

(a) Any recipient whose audited fund balance exceeds the ceiling set forth in § 1628.1 shall submit to the Director, Office of Field Services, within 120 days after the close of the recipient's fiscal year, a statement of the fund balance which occurred according to the annual audit required by section 1009(c)(1) of the Legal Services Corporation Act, as amended. The funds will be recovered as set forth in § 1628.3, unless excluded by a specific waiver.

(b) The recipient may, within 120 days after the close of its fiscal year, apply to the Director, Office of Field Services for a waiver of the 10% ceiling. Such application must specify:

(1) The fund balance amount according to the recipient's annual audit;

(2) The reason such fund balance has been attained;

(3) The recipient's plan for the disposition or reserve of such fund balance amount within the current grant period;

(4) The amount of fund balance projected to be carried forward at the close of the recipient's then current fiscal year; and,

(5) The extraordinary circumstances justifying the retention of the fund balance which include windfall receipts for which a recipient cannot reasonably plan, such as proceeds from the sale of property, receipt of direct payment to attorneys, and collection of insurance proceeds.

(c) Excess fund balance amounts shall not be expended by the recipient prior to approval of the waiver application by the Corporation.

(d) The decision of the Corporation regarding the granting of a waiver (other than the automatically granted waiver for a cash reserve for compensated bar programs) shall be guided by the statutory mandate requiring the recipient to provide high quality legal services in an effective and economical manner. In addition, the Corporation shall give special consideration to the following factors in reviewing a waiver request submitted pursuant to this regulation:

(1) Emergencies, unusual occurrences, or other extraordinary circumstances giving rise to the existence

of a fund balance in excess of 10%, and the special needs of clients;

(2) The need for a recipient which operates a compensated bar program or component to maintain a cash reserve; and

(3) The recipient's financial management record.

(e) Excess fund balance amounts approved for expenditure must be separately reported in the current fiscal year audit. This may be done by establishing a separate fund or by providing a separate supplemental schedule as part of the audit report.

[49 FR 23056, June 4, 1984]

**§ 1628.5 Fund balance deficits.**

(a) Sound financial management practices such as those established in LSC's "Fundamental Criteria of an Accounting and Financial Reporting System," should preclude deficit spending. Use of current year LSC grant funds to liquidate deficit balances in the LSC fund from a preceding period(s) requires the prior written approval of the Corporation.

(b) The recipient may, within 120 days of the close of its fiscal year, apply to the Corporation for approval of the costs associated with the liquidation of the deficit balances in the LSC fund.

(c) In the absence of approval by the Corporation, expenditures of current year LSC grant funds to liquidate a deficit from a prior year shall be identified as questioned costs.

(d) The recipient's request must specify the same information relative to the deficit LSC fund balance as that set forth in sections 1628.4(b) (1), (2), (3), and (4). Additionally, the recipient must develop and submit a plan approved by its governing body describing the measures which will be implemented to prevent a recurrence of a deficit balance in the LSC fund. The Corporation reserves the right to require changes in the submitted plan.

(e) The decision of the Corporation regarding acceptance of these deficit-related costs shall be guided by the statutory mandate requiring the recipient to provide high quality legal services performed in an effective and economical manner. Special consideration will be given for emergencies, unusual

occurrences, or other extraordinary circumstances giving rise to this situation.

### § 1629.1 General.

(a) If any program which receives Corporation funds is not a government, or an agency or instrumentality thereof, such program shall carry fidelity bond coverage at a minimum level of at least ten (10) percent of the program's annualized LSC funding level for the previous fiscal year, or of the initial grant or contract, if the program is a new grantee or contractor. No coverage carried pursuant to this part shall be at a level less than \$50,000.

(b) A fidelity bond is a bond indemnifying such program against losses resulting from the fraud or lack of integrity, honesty or fidelity of one or more employees, officers, agents, directors or other persons holding a position of trust with the program.

### § 1629.2 Persons required to be bonded.

(a) Every director, officer, employee and agent of a program who handles funds or property of the program shall be bonded as provided in this part.

(b) Such bond shall provide protection to the program against loss by reason of acts of fraud or dishonesty on the part of such director, officer, employee or agent directly or through connivance with others.

### § 1629.3 Criteria for determining handling.

(a) The term “handles” shall be deemed to encompass any relationship of a director, officer, employee or

agent with respect to funds or other property which can give rise to a risk of loss through fraud or dishonesty. This shall include relationships such as those which involve access to funds or other property or decision-making powers with respect to funds or property which can give rise to such risk of loss.

(b) Subject to the application of the basic standard of risk of loss to each situation, the criteria for determining whether there is “handling” so as to require bonding are:

(1) Physical contact with cash, checks or similar property;

(2) The power to secure physical possession of cash, checks or similar property such as through access to a safe deposit box or similar depository, access to cash or negotiable instruments and assets, power of custody or safekeeping, or the power to borrow or withdraw funds from a bank or other account whether or not physical contact actually takes place;

(3) The power to transfer or cause to be transferred property such as mortgages, title to land and buildings, or securities, through actual or apparent authority, to oneself or to a third party, or to be negotiated for value.

(c) Persons who actually disburse funds or other property, such as officers authorized to sign checks or other negotiable instruments, or persons who make cash disbursements, shall be considered to be “handling” such funds or property.

(d) In connection with disbursements, any persons with the power to sign or endorse checks or similar instruments or otherwise render them transferable, whether individually or as cosigners with one or more persons, shall each be considered to be “handling” such funds or other property.

(e) To the extent a person's supervisory or decision-making responsibility involves factors in relationship to funds discussed in paragraphs (b) (1), (2), (3), or paragraphs (c) and (d) of this section, such persons shall be considered to be “handling” in the same manner as any person to whom the criteria of those subparagraphs apply.

**§ 1629.4 Meaning of fraud or dishonesty.**

The term “fraud or dishonesty” shall be deemed to encompass all those risks of loss that might arise through dishonest or fraudulent acts in the handling of funds as delineated in § 1629.3. As such, the bond must provide recovery for loss occasioned by such acts even though no personal gain accrues to the person committing the act and the act is not subject to punishment as a crime or misdemeanor, provided that within the law of the state in which the act is committed, a court could afford recovery under a bond providing protection against fraud or dishonesty. As applied under state laws, the term “fraud or dishonesty” encompasses such matters as larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, wrongful conversion, willful misapplication or any other fraudulent or dishonest acts.

**§ 1629.5 Form of bonds.**

Any form of bond which may be described as individual, schedule or blanket, or any combination of such forms of bonds, shall be acceptable to meet the requirements of this part. The basic types of bonds in general usage are:

- (a) An individual bond which covers a named individual in a stated penalty;
- (b) A name schedule bond which covers a number of named individuals in the respective amounts set opposite their names;
- (c) A position schedule bond which covers all of the occupants of positions listed in the schedule in the respective amounts set opposite such positions;
- (d) A blanket bond which covers all the insured's directors, officers, employees and agents with no schedule or list of those covered being necessary and with all new directors, officers, employees and agents bonded automatically, in a blanket penalty.

**§ 1629.6 Effective date.**

- (a) Each program shall certify in its Application for Refunding, beginning with the application for FY 1985 funds, that it has obtained a bond or bonds which satisfy the requirements of this part.

- (b) A copy of such bond or bonds shall be provided to the Corporation at its request.

**§ 1630.1 Purpose.**

This part is intended to provide uniform standards for allowability of costs and to provide a comprehensive, fair, timely, and flexible process for the resolution of questioned costs.

**§ 1630.2 Definitions.**

(a) *Allowed costs* means a questioned cost that the Corporation, in a management decision, has determined to be eligible for payment from a recipient's Corporation funds.

(b) *Corrective action* means action taken by a recipient that:

- (1) Corrects identified deficiencies;
- (2) Produces recommended improvements; or
- (3) Demonstrates that audit or other findings are either invalid or do not warrant recipient action.

(c) *Derivative income* means income earned by a recipient from Corporation-supported activities during the term of a Corporation grant or contract, and includes, but is not limited

### § 1630.3

to, income from fees for services (including attorney fee awards and reimbursed costs), sales and rentals of real or personal property, and interest earned on Corporation grant or contract advances.

(d) *Disallowed cost* means a questioned cost that the Corporation, in a management decision, has determined should not be charged to a recipient's Corporation funds.

(e) *Final action* means the completion of all actions that Corporation management, in a management decision, has concluded are necessary with respect to the findings and recommendations in an audit or other report. In the event that Corporation management concludes no corrective action is necessary, final action occurs when a management decision has been made.

(f) *Management decision* means the evaluation by Corporation management of findings and recommendations in an audit or other report and the recipient's response to the report, and the issuance of a final, written decision by management concerning its response to such findings and recommendations, including any corrective actions which Corporation management has concluded are necessary to address the findings and recommendations.

(g) *Questioned cost* means a cost that a recipient has charged to Corporation funds which Corporation management, the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has questioned because of an audit or other finding that:

(1) There may have been a violation of a provision of a law, regulation, contract, grant, or other agreement or document governing the use of Corporation funds;

(2) The cost is not supported by adequate documentation; or

(3) The cost incurred appears unnecessary or unreasonable and does not reflect the actions a prudent person would take in the circumstances.

(h) *Recipient* as used in this part means any grantee or contractor receiving funds from the Corporation

under sections 1006(a)(1) or 1006(a)(3) of the Act.

[62 FR 68225, Dec. 31, 1997; 63 FR 1532, Jan. 9, 1998]

### § 1630.3 Standards governing allowability of costs under Corporation grants or contracts.

(a) *General criteria.* Expenditures by a recipient are allowable under the recipient's grant or contract only if the recipient can demonstrate that the cost was:

(1) Actually incurred in the performance of the grant or contract and the recipient was liable for payment;

(2) Reasonable and necessary for the performance of the grant or contract as approved by the Corporation;

(3) Allocable to the grant or contract;

(4) In compliance with the Act, applicable appropriations law, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC Recipients, the terms and conditions of the grant or contract, and other applicable law;

(5) Consistent with accounting policies and procedures that apply uniformly to both Corporation-financed and other activities of the recipient;

(6) Accorded consistent treatment over time;

(7) Determined in accordance with generally accepted accounting principles;

(8) Not included as a cost or used to meet cost sharing or matching requirements of any other federally financed program, unless the agency whose funds are being matched determines in writing that Corporation funds may be used for federal matching purposes; and

(9) Adequately and contemporaneously documented in business records accessible during normal business hours to Corporation management, the Office of Inspector General, the General Accounting Office, and independent auditors or other audit organizations authorized to conduct audits of recipients.

(b) *Reasonable costs.* A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under the same or similar circumstances prevailing at the time the decision was made to incur the cost. If a questioned cost

is disallowed solely on the ground that it is excessive, only the amount that is larger than reasonable shall be disallowed. In determining the reasonableness of a given cost, consideration shall be given to:

(1) Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the recipient or the performance of the grant or contract;

(2) The restraints or requirements imposed by such factors as generally accepted business practices, arms-length bargaining, Federal and State laws and regulations, and the terms and conditions of the grant or contract;

(3) Whether the recipient acted with prudence under the circumstances, considering its responsibilities to its clients and employees, the public at large, the Corporation, and the Federal government; and

(4) Significant deviations from the established practices of the recipient which may unjustifiably increase the grant or contract costs.

(c) *Allocable costs.* A cost is allocable to a particular cost objective, such as a grant, project, service, or other activity, in accordance with the relative benefits received. Costs may be allocated to Corporation funds either as direct or indirect costs according to the provisions of this section. A cost is allocable to a Corporation grant or contract if it is treated consistently with other costs incurred for the same purpose in like circumstances and if it:

(1) Is incurred specifically for the grant or contract;

(2) Benefits both the grant or contract and other work and can be distributed in reasonable proportion to the benefits received; or

(3) Is necessary to the overall operation of the recipient, although a direct relationship to any particular cost objective cannot be shown.

(d) *Direct costs.* Direct costs are those that can be identified specifically with a particular final cost objective, i.e., a particular grant award, project, service, or other direct activity of an organization. Costs identified specifically with grant awards are direct costs of the awards and are to be assigned directly thereto. Direct costs include,

but are not limited to, the salaries and wages of recipient staff who are working on cases or matters that are identified with specific grants or contracts. Salary and wages charged directly to Corporation grants and contracts must be supported by personnel activity reports.

(e) *Indirect costs.* Indirect costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Any direct cost of a minor amount may be treated as an indirect cost for reasons of practicality where the accounting treatment for such cost is consistently applied to all final cost objectives. Indirect costs include, but are not limited to, the costs of operating and maintaining facilities, and the costs of general program administration, such as the salaries and wages of program staff whose time is not directly attributable to a particular grant or contract. Such staff may include, but are not limited to, executive officers and personnel, accounting, secretarial and clerical staff.

(f) *Allocation of indirect costs.* Where a recipient has only one major function, i.e., the delivery of legal services to low-income clients, allocation of indirect costs may be by a simplified allocation method, whereby total allowable indirect costs (net of applicable credits) are divided by an equitable distribution base and distributed to individual grant awards accordingly. The distribution base may be total direct costs, direct salaries and wages, attorney hours, numbers of cases, numbers of employees, or another base which results in an equitable distribution of indirect costs among funding sources.

(g) *Exception for certain indirect costs.* Some funding sources may refuse to allow the allocation of certain indirect costs to an award. In such instances, a recipient may allocate a proportional share of another funding source's share of an indirect cost to Corporation funds, provided that the activity associated with the indirect cost is permissible under the LSC Act and regulations.

(h) *Applicable credits.* Applicable credits are those receipts or reductions of expenditures which operate to offset or reduce expense items that are allocable

#### § 1630.4

to grant awards as direct or indirect costs. Applicable credits include, but are not limited to, purchase discounts, rebates or allowances, recoveries or indemnities on losses, insurance refunds, and adjustments of overpayments or erroneous charges. To the extent that such credits relate to allowable costs, they shall be credited as a cost reduction or cash refund in the same fund to which the related costs are charged.

(i) *Guidance.* The Circulars of the Office of Management and Budget shall provide guidance for all allowable cost questions arising under this part when relevant policies or criteria therein are not inconsistent with the provisions of the Act, applicable appropriations law, this part, the Accounting Guide for LSC Recipients, Corporation rules, regulations, guidelines, instructions, and other applicable law.

[62 FR 68225, Dec. 31, 1997; 63 FR 1532, Jan. 9, 1998]

#### § 1630.4 Burden of proof.

The recipient shall have the burden of proof under this part.

#### § 1630.5 Costs requiring Corporation prior approval.

(a) *Advance understandings.* Under any given grant award, the reasonableness and allocability of certain cost items may be difficult to determine. In order to avoid subsequent disallowance or dispute based on unreasonableness or nonallocability, recipients may seek a written understanding from the Corporation in advance of incurring special or unusual costs. If a recipient elects not to seek an advance understanding from the Corporation, the absence of an advance understanding on any element of a cost does not affect the reasonableness or allocability of the cost.

(b) *Prior approvals.* Without prior written approval of the Corporation, no cost attributable to any of the following may be charged to Corporation funds:

(1) Pre-award costs and costs incurred after the cessation of funding;

(2) Purchases and leases of equipment, furniture, or other personal, non-expendable property, if the current purchase price of any individual item of property exceeds \$10,000;

(3) Purchases of real property; and

(4) Capital expenditures exceeding \$10,000 to improve real property.

(c) *Duration.* The Corporation's approval or advance understanding shall be valid for one year, or for a greater period of time which the Corporation may specify in its approval or understanding.

#### § 1630.6 Timetable and basis for granting prior approval.

(a) The Corporation shall grant prior approval of a cost if the recipient has provided sufficient written information to demonstrate that the cost would be consistent with the standards and policies of this part. If the Corporation denies a request for approval, it shall provide to the recipient a written explanation of the grounds for denying the request.

(b) Except as provided in paragraphs (c) and (d) of this section, the Corporation may not assert the absence of prior approval as a basis for disallowing a questioned cost, if the Corporation has not responded to a written request for approval within sixty (60) days of receiving the request.

(c) If additional information is necessary to enable the Corporation to respond to a request for prior approval, the Corporation may make a written request for additional information within forty-five (45) days of receiving the request for approval.

(d) If the Corporation has made a written request for additional information about a cost as provided by paragraph (c) of this section, and if the Corporation has not responded within thirty (30) days of receiving in writing all additional, requested information, the Corporation may not assert the absence of prior approval as a basis for disallowing the cost.

#### § 1630.7 Review of questioned costs and appeal of disallowed costs.

(a) When the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has identified and referred a questioned cost to the Corporation, Corporation management shall review the findings of the Office

#### 45 CFR Ch. XVI (10–1–98 Edition)

of Inspector General, General Accounting Office, or independent auditor or other authorized audit organization, as well as the recipient's written response to the findings, in order to determine accurately the amount of the questioned cost, the factual circumstances giving rise to the cost, and the legal basis for disallowing the cost. Corporation management may also identify questioned costs in the course of its oversight of recipients.

(b) If Corporation management determines that there is a basis for disallowing a questioned cost, and if not more than five years have elapsed since the recipient incurred the cost, Corporation management shall provide to the recipient written notice of its intent to disallow the cost. The written notice shall state the amount of the cost and the factual and legal basis for disallowing it.

(c) Within thirty (30) days of receiving written notice of the Corporation's intent to disallow the questioned cost, the recipient may respond with written evidence and argument to show that the cost was allowable, or that the Corporation, for equitable, practical, or other reasons, should not recover all or part of the amount, or that the recovery should be made in installments. If the recipient does not respond to the Corporation's written notice, Corporation management shall issue a management decision on the basis of information available to it.

(d) Within sixty (60) days of receiving the recipient's written response to the notice of intent to disallow the questioned cost, Corporation management shall issue a management decision stating whether or not the cost has been disallowed, the reasons for the decision, and the method of appeal as provided in this section.

(1) If Corporation management has determined that the questioned cost should be allowed, and that no corrective action by the recipient is necessary, final action with respect to the questioned cost occurs at the time when the Corporation issues the management decision.

(2) If Corporation management has determined that the questioned cost should be disallowed, the management decision shall also describe the ex-

pected recipient action to repay the cost, including the method and schedule for collection of the amount of the cost. The management decision may also require the recipient to make financial adjustments or take other corrective action to prevent a recurrence of the circumstances giving rise to the disallowed cost.

(e) If the amount of a disallowed cost exceeds \$2,500, the recipient may appeal in writing to the Corporation President within thirty (30) days of receiving the Corporation's management decision to disallow the cost. The written appeal should state in detail the reasons why the Corporation should not disallow part or all of the questioned cost. If the amount of a disallowed cost does not exceed \$2,500, or if the recipient elects not to appeal the disallowance of a cost in excess of \$2,500, the Corporation's management decision shall be final.

(f) Within thirty (30) days of receipt of the recipient's appeal of a disallowed cost in excess of \$2,500, the President shall either adopt, modify, or reverse the Corporation's management decision to disallow the cost. If the President has had prior involvement in the consideration of the disallowed cost, the President shall designate another senior Corporation employee who has not had prior involvement to review the recipient's appeal. The President shall also have discretion, in circumstances where the President has not had prior involvement in the disallowed cost, to designate another senior Corporation employee to review the recipient's appeal, provided that the senior Corporation employee has not had prior involvement in the disallowed cost.

(g) The decision of the President or designee shall be final and shall be based on the written record, consisting of the Corporation's notice of intent to disallow the questioned cost, the recipient's response, the management decision, the recipient's written appeal, any additional response or analysis provided to the President or designee by Corporation staff, and the relevant findings, if any, of the Office of Inspector General, General Accounting Office, or other authorized auditor or audit organization. Upon request, the

#### § 1630.8

Corporation shall provide a copy of the written record to the recipient.

#### **§ 1630.8 Recovery of disallowed costs and other corrective action.**

(a) The Corporation shall recover any disallowed costs from the recipient within the time limits and conditions set forth in the Corporation's management decision. Recovery of the disallowed costs may be in the form of a reduction in the amount of future grant checks or in the form of direct payment from the recipient to the Corporation.

(b) The Corporation shall ensure that a recipient which has incurred a disallowed cost takes any additional, necessary corrective action within the time limits and conditions set forth in the Corporation's management decision. The recipient shall have taken final action when the recipient has repaid all disallowed costs and has taken all corrective action which the Corporation has stated in its management decision is necessary to prevent the recurrence of circumstances giving rise to a questioned cost.

(c) In the event of an appeal of the Corporation's management decision, the decision of the President or designee shall supersede the Corporation's management decision, and the recipient shall repay any disallowed costs and take necessary corrective action according to the terms and conditions of the decision of the President or designee.

#### **§ 1630.9 Other remedies; effect on other parts.**

(a) In cases of serious financial mismanagement, fraud, or defalcation of funds, the Corporation shall refer the matter to the Office of Inspector General, and may take appropriate action pursuant to parts 1606, 1623, 1625, and 1640 of this chapter.

(b) The recovery of a disallowed cost according to the procedures of this part does not constitute a permanent reduction in the annualized funding level of the recipient, nor does it constitute a termination of financial assistance under part 1606, a suspension of funding under part 1623, or a denial of refunding under part 1625.

#### 45 CFR Ch. XVI (10–1–98 Edition)

#### **§ 1630.10 Applicability to subgrants.**

When disallowed costs arise from expenditures incurred under a subgrant of Corporation funds, the recipient and the subrecipient will be jointly and severally responsible for the actions of the subrecipient, as provided by 45 CFR part 1627, and will be subject to all remedies available under this part. Both the recipient and the subrecipient shall have access to the review and appeal procedures of this part.

#### **§ 1630.11 Applicability to non-LSC funds.**

(a) No costs attributable to a purpose prohibited by the LSC Act, as defined by 45 CFR 1610.2(a), may be charged to private funds, except for tribal funds used for the specific purposes for which they were provided. No cost attributable to an activity prohibited by or inconsistent with section 504, as defined by 45 CFR 1610.2(b), may be charged to non-LSC funds, except for tribal funds used for the specific purposes for which they were provided.

(b) According to the review and appeal procedures of 45 CFR 1630.7, the Corporation may recover from a recipient's Corporation funds an amount not to exceed the amount improperly charged to non-LSC funds.

#### **§ 1630.12 Applicability to derivative income.**

(a) Derivative income resulting from an activity supported in whole or in part with funds provided by the Corporation shall be allocated to the fund in which the recipient's LSC grant is recorded in the same proportion that the amount of Corporation funds expended bears to the total amount expended by the recipient to support the activity.

(b) Derivative income which is allocated to the LSC fund in accordance with paragraph (a) of this section is subject to the requirements of this part, including the requirement of 45 CFR 1630.3(a)(4) that expenditures of such funds be in compliance with the Act, applicable appropriations law, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC recipients, the terms

(a) Encourage the effective and economical delivery of high quality legal services to eligible clients that is consistent with the Corporation's Performance Criteria and the American Bar Association's Standards for Providers of Civil Legal Services to the Poor through an integrated system of legal services providers;

## Legal Services Corporation

## § 1634.3

(b) Provide opportunities for qualified attorneys and entities to compete for grants and contracts to deliver high quality legal services to eligible clients;

(c) Encourage ongoing improvement of performance by recipients in providing high quality legal services to eligible clients;

(d) Preserve local control over resource allocation and program priorities; and

(e) Minimize disruptions in the delivery of legal services to eligible clients within a service area during a transition to a new provider.

### § 1634.2 Definitions.

(a) *Qualified applicants* are those persons, groups or entities described in section 1634.5(a) of this part who are eligible to submit notices of intent to compete and applications to participate in a competitive bidding process as described in this part.

(b) *Review panel* means a group of individuals who are not Corporation staff but who are engaged by the Corporation to review applications and make recommendations regarding awards of grants or contracts for the delivery of legal assistance to eligible clients. A majority of review panel members shall be lawyers who are supportive of the purposes of the LSC Act and experienced in and knowledgeable about the delivery of legal assistance to low-income persons, and eligible clients or representatives of low-income community groups. The remaining members of the review panel shall be persons who are supportive of the purposes of the LSC Act and have an interest in and knowledge of the delivery of quality legal services to the poor. No person may serve on a review panel for an applicant with whom the person has a financial interest or ethical conflict; nor may the person have been a board member of or employed by that applicant in the past five years.

(c) *Service area* is the area defined by the Corporation to be served by grants or contracts to be awarded on the basis of a competitive bidding process. A service area is defined geographically and may consist of all or part of the area served by a current recipient, or it

may include an area larger than the area served by a current recipient.

(d) *Subpopulation of eligible clients* includes Native Americans and migrant farm workers and may include other groups of eligible clients that, because they have special legal problems or face special difficulties of access to legal services, might better be addressed by a separate delivery system to serve that client group effectively.

### § 1634.3 Competition for grants and contracts.

(a) After the effective date of this part, all grants and contracts for legal assistance awarded by the Corporation under Section 1006(a)(1)(A) of the LSC Act shall be subject to the competitive bidding process described in this part. No grant or contract for the delivery of legal assistance shall be awarded by the Corporation for any period after the effective date of this part, unless the recipient of that grant has been selected on the basis of the competitive bidding process described in this part.

(b) The Corporation shall determine the service areas to be covered by grants or contracts and shall determine whether the population to be served will consist of all eligible clients within the service area or a specific subpopulation of eligible clients within one or more service areas.

(c) The use of the competitive bidding process to award grant(s) or contract(s) shall not constitute a termination or denial of refunding of financial assistance to a current recipient pursuant to parts 1606 and 1625 of this chapter.

(d) Wherever possible, the Corporation shall award no more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area. The Corporation may award more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area only when the Corporation determines that it is necessary to award more than one such grant or contract in order to ensure that all eligible clients within the service area will have access to a full range

of high quality legal services in accordance with the LSC Act or other applicable law.

(e) In no event may the Corporation award a grant or contract for a term longer than five years. The amount of funding provided annually under each such grant or contract is subject to changes in congressional appropriations or restrictions on the use of those funds by the Corporation. A reduction in a recipient's annual funding required as a result of a change in the law or a reduction in funding appropriated to the Corporation shall not be considered a termination or denial of refunding under parts 1606 or 1625 of this chapter.

#### **§ 1634.4 Announcement of competition.**

(a) The Corporation shall give public notice that it intends to award a grant or contract for a service area on the basis of a competitive bidding process, shall take appropriate steps to announce the availability of such a grant or contract in the periodicals of State and local bar associations, and shall publish a notice of the Request For Proposals (RFP) in at least one daily newspaper of general circulation in the area to be served under the grant or contract. In addition, the Corporation shall notify current recipients, other bar associations, and other interested groups within the service area of the availability of the grant or contract and shall conduct such other outreach as the Corporation determines to be appropriate to ensure that interested parties are given an opportunity to participate in the competitive bidding process.

(b) The Corporation shall issue an RFP which shall include information regarding: who may apply, application procedures, the selection process, selection criteria, the service areas that will be the subject of the competitive bidding process, the amount of funding available for the service area, if known, applicable timetables and deadlines, and the LSC Act, regulations, guidelines and instructions and any other applicable federal law. The RFP may also include any other information that the Corporation determines to be appropriate.

(c) The Corporation shall make a copy of the RFP available to any per-

son, group or entity that requests a copy in accordance with procedures established by the Corporation.

(4) State or local governments;

(5) Substate regional planning and coordination agencies which are composed of substate areas and whose governing boards are controlled by locally elected officials.

(b) All persons, groups and entities listed in paragraph (a) of this section must have a governing or policy body consistent with the requirements of part 1607 of this chapter or other law that sets out requirements for recipients' governing bodies, unless such governing body requirements are inconsistent with applicable law.

(c) Applications may be submitted jointly by more than one qualified applicant so long as the application delineates the respective roles and responsibilities of each qualified applicant.

#### **§ 1634.6 Notice of intent to compete.**

(a) In order to participate in the competitive bidding process, an applicant must submit a notice of intent to compete on or before the date designated by the Corporation in the RFP. The Corporation may extend the date if necessary to take account of special circumstances or to permit the Corporation to solicit additional notices of intent to compete.

(b) At the time of the filing of the notice of intent to compete, each applicant must provide the Corporation

with the following information as well as any additional information that the Corporation determines is appropriate:

(1) Names and resumes of principals and key staff;

#### **§ 1634.7 Application process.**

(a) The Corporation shall set a date for receipt of applications and shall announce the date in the RFP. The date shall afford applicants adequate opportunity, after filing the notice of intent to compete, to complete the application process. The Corporation may extend the application date if necessary to take account of special circumstances.

(b) The application shall be submitted in a form to be determined by the Corporation.

(c) A completed application shall include all of the information requested by the RFP. It may also include any additional information needed to fully address the selection criteria, and any other information requested by the Corporation. Incomplete applications will not be considered for awards by the Corporation.

(3) Conduct one or more on-site visits to an applicant if the Corporation determines that such visits are appropriate to evaluate the application fully;

(4) Summarize in writing information regarding the applicant that is not contained in the application if appropriate for the review process; and

(5) Convene a review panel unless there is only one applicant for a particular service area and the Corporation determines that use of a review panel is not appropriate. The review panel shall:

(i) Review the applications and the summaries prepared by the Corporation staff. The review panel may request other information identified by the Corporation as necessary to evaluate the applications fully; and

(ii) Make a written recommendation to the Corporation regarding the award of grants or contracts from the Corporation for a particular service area.

(6) After considering the recommendation made by the review panel, if a review panel was convened, make a staff recommendation to the President. The staff recommendation shall include the recommendation of the review panel and, if the staff recommendation differs from that of the review panel, an explanation of the basis for the difference in the recommendations.

(b) After reviewing the written recommendations, the President shall select the applicants to be awarded grants or contracts from the Corporation and the Corporation shall notify each applicant in writing of the President's decision regarding each applicant's application.

(c) In the event that there are no applicants for a service area or that the Corporation determines that no applicant meets the criteria and therefore determines not to award a grant or contract for a particular service area, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-

to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.

**§ 1634.9 Selection criteria.**

(a) The criteria to be used to select among qualified applicants shall include the following:

(1) Whether the applicant has a full understanding of the basic legal needs of the eligible clients in the area to be served;

(2) The quality, feasibility and cost-effectiveness of the applicant's legal services delivery and delivery approach in relation to the Corporation's Performance Criteria and the American Bar Association's Standards for Providers of Civil Legal Services to the Poor, as evidenced by, among other things, the applicant's experience with the delivery of the type of legal assistance contemplated under the proposal;

**§ 1634.10 Transition provisions.**

(a) When the competitive bidding process results in the award of a grant or contract to an applicant, other than the current recipient, to serve the area currently served by that recipient, the Corporation—

(1) may provide, if the law permits, continued funding to the current recipient, for a period of time and at a level to be determined by the Corporation after consultation with the recipient, to ensure the prompt and orderly completion of or withdrawal from pending cases or matters or the transfer of such cases or matters to the new recipient or to other appropriate legal service providers in a manner consistent with the rules of ethics or professional responsibility for the jurisdiction in which those services are being provided; and

(2) shall ensure, after consultation with the recipient, the appropriate disposition of real and personal property purchased by the current recipient in whole or in part with Corporation

(b) Awards of grants or contracts for legal assistance to any applicant that is not a current recipient may, in the Corporation's discretion, provide for incremental increases in funding up to the annualized level of the grant or contract award in order to ensure that the applicant has the capacity to utilize Corporation funds in an effective and economical manner.

### **§ 1634.11 Replacement of recipient that does not complete grant term.**

In the event that a recipient is unable or unwilling to continue to perform the duties required under the terms of its grant or contract, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.
